Portsmouth RFC and the RFU are anxious that its tickets for Twickenham should reach the hands of the genuine supporters and sponsors of the game. The RFU has undertaken, and will continue to undertake, a policing operation which uncovers instances of black market activity and include investigations of

- Purchasing tickets for unofficial hospitality and the inspection of tickets within hospitality venues
- The use of test purchasing in the weeks before and on the day of internationals
- Monitoring of eBay and other internet auction sites
- Sound and video surveillance of the activities in and around Twickenham on match days

This increased activity has led to a number of Clubs, whose allocated tickets have ended up on the black market, being sanctioned. Sanctions include reduced allocations to the Club (from 10% to 100% of tickets) for varied lengths of time. Please help us to minimise the risk to our Members, Sponsors and to the Club by complying with the RFU Ticket Terms & Conditions. For full details of these Terms & Conditions please go to [www.rfu.com](http://www.rfu.com) or apply to the Ticket Secretary, Portsmouth RFC

## Ticket Terms & Conditions Summary

### DEFINITIONS:

RFU Allocated Tickets - tickets allocated to and obtained by a Club directly from the RFU  
Transferee - a Club, Genuine Sponsor or Club Member

- Tickets are the absolute responsibility of the Club. Every ticket remains the property of the RFU at all times.
- The Club may only transfer RFU Allocated Ticket(s) to a Transferee
- As a Transferee, you **cannot sell or offer for sale or transfer any allocated tickets.**
- Tickets are only to be used by the Club Member together with their family, friend or colleague. No Club Member may sell or dispose of their tickets to anyone if they are not required for the member's personal use.
- If you are applying for and/or allocated more **than two tickets per Match the Club will want to know who will be accompanying you to the Match**
- **Misuse includes the use of any tickets as a prize**, or part of any competition or promotional or other similar activity or as part of any hospitality or travel or other commercial package or for any other media purpose without the prior written approval of the RFU
- Transferee Allocated **Tickets should be retained for one calendar month following the Match attended, and available to the Ticket Secretary upon request**
- If you have a spare allocated ticket, please return to the Ticket Secretary within 7 days of the Match.
- If on the day of the Match, due to unforeseen circumstances, you have a spare ticket **DO NOT** sell the ticket, even at face value, or give the ticket away free of charge. For Grade A Matches (6 Nations matches or matches against South Africa, New Zealand and Australia), the ticket can be returned to the West Enquiry Office or the Ticket Office at Rugby House, Twickenham, where a refund less an administration charge of £5 per ticket, will be issued after the match to the Club to which the ticket was issued. The Club, on receipt of these monies, will refund the Transferee.

A common reason why tickets end up on the black market is that someone is let down at the last minute, and then sells the ticket near the stadium at face value (or even gives the ticket away free of charge) to avoid it "going to waste" to someone who they believe is a genuine fan. These "genuine fans" are often a runner for a ticket tout. In some cases video surveillance has seen runners entering the ground, with the person who has given them a ticket, only to return outside the ground to resell the ticket at a premium. If you need any assistance in relation to the RFU ticket terms, or have any other query in relation to tickets, please address them in the first instance to the Ticket Secretary. Thank you for your understanding.
