6. **The Chairman's Address (including the General Secretary's Report) - A.P. Jeskins Esq.**

Good Evening Ladies and Gentlemen, Vice-Presidents, Members of the County Football Association, League Officers, Club Representatives and Guests.

On behalf of the League, I would like to welcome you all to the 102nd Annual General Meeting of the North Bucks & District Football League.

This season, the quality of football played within the League was improved from previous years with all divisions being very competitive, two of which went down to the last matches to determine the winners and runners-up. I continue to hear a number of positive comments regarding the standard and quality of the football and the operation of the League which is a credit to all Member Clubs involved.

I would like to congratulate all of the trophy finalists for the manner in which the finals were played this season; and for their efforts and support in raising nearly £900 for Charity from the gate receipts, thanks to Brian and Chris for their time in manning the gates. My particular thanks to Mick McStraw for organising the raffles at the finals which significantly added to the total raised.

Congratulations to Potterspury, Great Horwood, Charlton & District and Wolverton Town Res. for winning their respective divisional trophies and to Potterspury for winning the Interdivisional Trophy. I would also like to record thanks to Buckingham Athletic for allowing us to play our finals at their ground and for their hospitality.

I would also like to congratulate MK Wanderers Res. Great Horwood, Potterspury Res. and City Colts Res. for winning their respective divisions.

All the above said, the League did not go without a number of issues during the course of the season. Firstly, losing a number of Clubs (4 in total) during the course of the season for a variety of reasons and the spells of bad weather in January and February, and then in April which decimated the fixture programme for a number of weeks causing a backlog towards the end of the season, which was then enhanced by the normal pitch availability issues, together of course with the additional cup competition, and yet despite all of this, the League still finished in mid-May, as normal, and it is only right to pass my thanks to Brenda for working her normal magic to get all the fixtures re-scheduled.

My normal plea of course is always on rules, ensuring Clubs read the rule book so as not to incur fines, however, this season, pleasingly, the quantity of fines this year is lower than in previous seasons, hopefully this can continue over the coming season. I would like to thank those Clubs who did not pick up any fines and for the way in which they have conducted their clubs this season, please keep up the good work.

Noting from the minutes of last season's AGM and the loss that was incurred by the League again, I am pleased to report that the League have managed to make savings across the board and to turn the last two seasons losses into a small surplus this year, with further plans in the pipeline to continue this for next season.

Coming onto next season, as you will see later on in the meeting, the League Formation for 2012/2013 caused a number of issues and many hours of debating for a couple of reasons, firstly, the lack of numbers in the upper divisions causing a League imbalance, and secondly, the good number of new team applications this season. There have been many movements in the League to accommodate the new teams, however, the League is now back up to a near full complement, providing local football for a great number of players, which is what the League is about.

I would like to extend a warm welcome the new Clubs present this evening, and hope they will enjoy and successful time with the North Bucks & District Football League.

Finally, as in every season, I would like to thank my fellow Officers and Committee Members for their continued commitment, and for the excellent way in which they have conducted the affairs of the League again this year, without such dedicated and hard working volunteers the League would not function to such a high standard that it does.
7. Reports (a) The General Secretary – A.P. Jeskins Esq.

See 5 above.

Reports (b) The Treasurer - Mrs. B. Sprules

The Chairman congratulated Mrs. Sprules on the way she had continued to look after the Leagues accounts during yet another difficult season. The Chairman also noted the significant work done by the League over the season to reduce costs and turn last season’s loss into a small surplus of income over expenditure.

Mrs. Sprules gave a brief explanation of the accounts for the season, as circulated, and requested any questions regarding the accounts. There being no queries, the Chairman thanked Mrs. Sprules once again for her splendid work and efforts throughout the course of the season.

It was Proposed by Yardley Gobion F.C. and Seconded by Bletchley Bridge F.C. that the accounts be accepted as a true and accurate record of the League’s Finances for the season. All Members present were in favour.

9. Election of Auditors:

Peter J. Jeskins Ltd.
Proposed By: M. McStraw
Seconded By: Bletchley Bridge

The Chairman proposed a vote of thanks to Mr. Jeskins for once again verifying the League’s Accounts free of charge.

The Chairman explained that League Management Committee are continually monitoring the Costs / Expenses that the League incurs, against the League and Cup Fees, Gate Receipts etc…., and ignoring Fines that are always anticipated will be minimal, the League have felt that the League Entry Fee has fallen behind all other Leagues at the equivalent level across the Country.

The League Entry Fees have not changed since the 1995 / 1996 Season (17 Years Ago) when it was increased from £30 to £35. The slight increase in League Entry Fee still ensures we are the most competitive League locally for Saturday football, and will ensure the continued success of the League.
The following rule change, having been proposed and seconded, was put to the vote of the Member's present.

**Current Rule 2 (B)**

The Annual Subscription shall be £35.00 per Team payable on or before the 31st July in each year.
