

WORTHING DYNAMOS F.C. RULES

1. Membership subscription shall be paid on enrolment at which time "Playing Member" status shall be deemed to commence as will "Ordinary Membership" for the Parents/Guardians. NO player will be registered in any league until his membership subscription fee has been paid.
2. "Player Member" status will be withdrawn from a player with outstanding registration fees at the end of December in the playing season until all outstanding amounts have been paid.
3. Issued kit remains the property of the club and must be handed in at the end of the season or on demand. Each member to whom a kit is allocated shall be responsible for its care, and the cost of any lost items.
4. Club and Club hired property shall be respected at all times and equipment shall be properly controlled and cared for by all club members.
5. Playing Members shall attend training sessions. Notification of absence from training shall be given if possible to the squad manager in advancement of the commencement of the session.
6. Playing Members shall meet promptly at pre-determined locations for training, matches and other official Club football activities.
7. Playing Members shall be properly attired whilst playing and training.
8. Members shall not bring the name of the Club into disrepute at any time and shall not enter into dispute at any time and shall not enter into disputes with match officials or officials/supporters of other clubs.
9. No player may approach another club without the permission of the squad manager. Any outside approach must be in line with Sussex County FA ruling.
10. Subject to the Rules of the appropriate Leagues a player joining the club shall train and play in his correct age group unless agreement is reached between the respective squad managers and the Executive Committee for the player to train and play in an older age group. Such a player shall not transfer to the younger age group at a later date without the consent of both managers concerned and the Executive Committee.
11. Team selection shall be the responsibility of the Manager to whom any related complaint should be addressed in the first instance. All Members should be aware of the complaints procedure as covered in the Club's constitution.
12. Squads shall not exceed 20 playing members for small sided and 16 for eleven-a-side squads without the approval of the Executive Committee.
