

Cedars Park FC **Player Code of Conduct**

It is the intention of this Code of Conduct to provide a guideline to the players on what behaviours the club finds unacceptable and disciplinary procedures arising from any player behaving in what is construed to be an unacceptable manner whilst representing the club.

When the player signs for the club, they become representatives of the club and are bound by the terms of membership to adhere to the club's rules and expectations of player conduct. When representing the club, the player will:

- Be of smart appearance
- Refrain from using threatening or abusing language or actions to colleagues, opposition and officials
- Maintain discipline during games by playing in the spirit of the game
- Respect and accept all decisions made by the Match officials
- Respect all decisions made by the coaches, and committee
- Attend all training, matches and meetings as directed by the coaches and committee
- Have the utmost respect for team-mates and their abilities
- Put maximum effort and pride into representing the club
- Accept that we win as a team and lose as a team. No one player or coach wins or loses a game.
- Be willing to make the necessary adjustments to personal priorities to ensure the best interest of Cedars Park Football Club

Unacceptable behaviour will be failure to adhere to any of the above. The list is not exhaustive and the committee may change the definitions of unacceptable behaviour when they deem in necessary during a quorum meeting.

Any player found in breach of these rules will be verbally warned by the Chairman that this behaviour is not acceptable. If the player continues to breach the rules, they will be asked to explain their actions to the Chairman. If the explanation is not sufficient, the player will be suspended from the club for a period no longer than 2 weeks. The player will then return to the club on a 2 week probationary period, during which any further breach will result in permanent exclusion. At the end of the probationary period, the player's progress will be reviewed by the committee who will decide what, if any, further action is required.

Repeated breach of these rules may lead to the player being excluded from the club.

If the offence is of a serious nature, it is at the Chairman's discretion to move to the later stages of the disciplinary process.

Any player may appeal against any decision made by the club in writing to the club Secretary. This will be dealt with initially during an emergency meeting of the committee and then during a meeting with the player and the committee. Any decision made by the committee is final.

All players must be available to play on Saturdays; it is your responsibility to contact your coaches as soon as possible to inform them if you will not be able to play. Failure to do so may jeopardise your position in the team, which will be at the discretion of the coaches.
