

Chesham Rugby Club Fantasy League

2011/2012 Season

This season sees the introduction of the very first Chesham Rugby Club Fantasy League. The objective of this league is to be a bit of fun, with prizes for the winner & 2 runners up, as well as helping to make a bit of money for your local community rugby club!

The Fantasy League is open to all members of the rugby club, playing or social, and will follow similar rules to that of the ESPN Premiership fantasy league. Points will be scored as follows:

Full Appearance: 3pts Partial Appearance: 2pts Try Scored: 5 pts Any Kick: 3 pts Yellow Card: -1pt Red Card: -2pts
Player of the Match: 3 pts

All teams must consist of 15 players with the following combination:

3 Front Row, 2 Second Row, 3 Back Row, 1 Scrum Half, 1 Fly Half, 2 Centres, 3 Back 3.

The team can be made up of players from all senior sections of Chesham Rugby Club (yes that includes the women's and vets' teams).

The cost of entering a team is £5 and unlimited team changes can be made for a bargain 50p per change!

The league will be updated every week by Emma Leek and a league table will be posted every Wednesday.

In order to enter your team please email: stags.fantasyleague@live.co.uk with your team selection. Alternatively please see Emma at training on Tuesday/Thursday and she will have entry forms waiting. A team will not be considered live until payment has been made. This can be by cheque, cash or bank transfer, details of which will be sent by return email.

Below are the players that you can choose from. If you notice anyone is missing please let Emma Leek know (stags.fantasyleague@live.co.uk) as she's not perfect and has undoubtedly forgotten somebody!

Good luck!
