The Development Committee strongly recommend that all Members, Parents, Managers, Coaches, Club Officials and Players visit 'The FA' RESPECT website at [www.thefa.com/respectguide](http://www.thefa.com/respectguide).

## **Managers and Coaches**

1. Enjoy watching the 'beautiful game'. Lead and guide the children as they learn and lose with the right spirit and manner.
2. Educate the players to adhere to the laws of the game at all times and accept the referee's decision and show respect at all times to game officials.
3. Let the game be the 'teacher' and allow the players to learn to play the game.
4. Promote the values of coaching and development.
5. Co-operate with other coaches, managers, club officials, referees, team-mates and opponents. Without them you do not have a game.
6. Work to the best of your ability both skillfully and physically for yourself and your team.
7. All players are expected to train and play in a sporting manner. Serious misconduct at training or on the field of play will result in action being taken by the club.
8. All coaches are expected to show commitment to the team and club with regular attendance at training sessions and have at least one representative of the age group at club meetings.
9. Any fines or administration charges imposed by the FA (referees etc) must be reported to the Committee. The fine/s will be paid by the player or their parents or guardians.
10. Match and training fees will be paid monthly by standing order or by cheque for the whole season. If a manager wishes to discuss another form of regular payment the Development Committee will gladly listen to their proposal.
11. The manager or coach on behalf of the club will be responsible for the players during training sessions, preparation for the game and during the game.
