To all parents new & old....

Neil & Amanda have done some fantastic fund raising for us and have many more ideas for the next season, however they need your help! If anyone can spare a raffle prize please bring it to the club on a Sunday or ask your work place to donate or sponsor our club.

The club is completely run by volunteers, the more us parents help the more we can achieve for our children, if you can help in any way please let us know!

Also are you handy with a hammer, love lawn mowing or just great in the kitchen!!! The kitchen rota is now on the noticeboard and if every parent helps just once this season we will have enough help until next summer! We also need car park attendants for matches and any maintenance help at all that you can offer to assist the already stretched team.
