Clevedon Town Football Club is the senior club in Clevedon. Formed in 1880 we are currently playing in the Premier Division of the Southern Football League, the 2009/2010 Season will be our fourth consecutive season at this level. Past league opponents include Rushden & Diamonds, Boston United and Burton Albion, all of whom have gone on to achieve Football League status.

Three years ago Clevedon Town reached the first round proper of the F. A. Cup, losing at Home to Chester City in front of a crowd of nearly 3,000.
