

NEWARK v PAVIORS – Midlands One East

Welcome to Kelham Road for this Nottinghamshire derby. The two league games last season between the two teams brought close results in competitive games. The match is sponsored by old friends, led by Clive Rossin, from the Newark solicitors, Larken and Co. We hope old and new visitors enjoy their afternoon.

Team News

Since the last home game injuries have hit the squad. Captain Ian Tomlinson has broken an arm and centre Alex Moore has pulled a hamstring. Jason Barnsdale has taken over at hooker and Ed Collishaw has returned at centre. Another returnee is David Fagan who has finished cricketing duties to take over the fly half berth. Changes up front see Mick Barker at prop while James Price gains a first league start, in the back row.

First Team Support Squad

Thanks to the mini and youth section for supporting the first team this year. Junior members Scott Lever, Sam Towers, Tom Brogden and Harvey Duddles have volunteered for duty today to be ball boys and scoreboard attendants.

Charity Night

Thanks to all those who made Wednesday evening's match such a success. Between the club and RAF Cranwell we should raise well over £2,000. Programme sales and the raffle raised £1,350 alone before sponsorship. It was terrific to see two mini curtain games before the main match which Newark won 43-0. It just shows how time moves on when you consider all mini and youth members were not even born when guest-of-honour Rory Underwood was in his prime some 20 years ago.

Last Week's Action

Jamie Eveleigh tries to break free from Wellingborough defenders in the 34-29 win at Kelham Road.

It must have been the headline and article in the revamped Advertiser that did the trick. There's nothing like a bit of stick to provoke the best out of players. After losing to Matlock, 28-5, on the opening Saturday, it prompted The Advertiser to quote an unnamed supporter saying that Newark were 'murdered by Matlock.' Playing chairman Bob Fowkes also put his view which prompted plenty of talk. But the end result was a win over Wellingborough. Jamie Eveleigh kicked 19 points and the three tries all came in the first half thorough Ian Tomlinson, Lewis Cove and Chris Tate.

The Advertiser was a bit more polite about our defeat last week at Coalville where we 'bit the dust,' 15-22. Good to see David Fagan back in the ranks and Lewis was among the try scorers again to make it two from two games.

Happy times ... fourth team members celebrate a try in the draw at Mellish last week.

Alex Jackson on the 2nds losing 13-27 to Scunthorpe 2nds

"The game became stretched as Newark went looking for a score, unfortunately it was Scunthorpe that came up with a counter attack of pace and precision as Newark looked to clear their lines. The ball was kicked into space and the resulting chase was not good enough as the Scunthorpe centre picked his line and found support for a converted try."

"Heads didn't go down and Newark again gave themselves hope as Johnny Statham was first held up over the line but from a succession of scrums and recycled ball it was worked wide again for Statham's second score."

Tom Pykett on the 3rds losing 41-42 to Ashbourne

"Some hard tackles saw Ben Mason replaced by stalwart deputy manager Jonathan Ward only to last 10 minutes himself! Second half saw the pack put some good work in to keep Ashbourne pinned in their 22. Trouble was Ashbourne had some clever lads, good at breaking out, as they seemed to score at will after Newark had built a 32-22 lead."

Tom on the 3rd team's trip into Ranby Prison

"The Newark 14 plus one inmate 'lgyy' played out a cracking game of rugby. Newark centre James (Paddy) Robinson scored all our points, 2 tries and 2 conversions. The prison XV, or should I say 25 or so of them, was captained by Tony, a prop who had been pumping in the gym."

Martin Brown on the 4ths meeting old rivals Mansfield

"There were no further alarms as the boys clung on for a very satisfying win. Credit should be given to both sides for a good tempered tough local derby. Tony Wrighton deserves a special mention, as he played ten minutes for us having travelled away to HMP Ranby with the 3rds only to be told he wasn't allowed into the prison. He must be a very bad man!"

Rodger Davis on the under-15s

"Newark's pack, lead from the front by Bowles, had a good afternoon with many positives. The tackling was ferocious at times with Harrison and Robinson putting in huge hits. All did well to contain a MM side that might have had more points if it were not for a brave performance by all 17 who played. Well done boys."
