Dear Neil

We would like to inform everyone at your club know that the second National Corporate 7's Tournament will be taking place at Welford Road on Friday 3rd June, 2011.

As well as a great day of rugby there will be plenty of activities taking place including a Bungee run, Bucking bronco, Stadium tours, Face painting and competitions. The Final Whistle bar will be open from 10.30am and there will be live DJ's, Hog Roast and BBQ's taking place until 8pm.

Entry for Under 16's free and adults are being asked to make a donation at the gate to our supporting charities, Hope Against Cancer and the Army Benevolent Fund.

The event takes place during half term week and promises to be a great family day and if you would like us to arrange a 40 minute coaching clinic or stadium tour for your junior section then please get in touch with us and we'll reserve you a dedicated time slot. Please note that availability for both of these activities will be very limited so please let us know of your interest at the earliest opportunity.

We have included a poster for you that you can put up in your Clubhouse advertising this great event to your players and members. For any further information or to discuss then please contact the Tigers Events team on 0116 2171294.

Yours sincerely

Richard Garner
