

Newark RUFC Mini Section Playing Numbers & Waiting List

The club will operate a waiting list for any places, which may become available during the year. When such places become available, all children on the waiting list are considered. Places are not offered on the basis of the length of time on the waiting list. Places will be allocated, at the time they become available in accordance with the oversubscription criteria.

Where there are more applicants for places than the number of places available, places will be offered according to the following order of priority, as and when spaces become available.

1st If the parent was a member/sponsor from the previous season

2nd Those who live nearest to Newark (Newark Town Hall as the base)

3rd On a "First come, first served basis".
