

THE REASON

In 1994 Charlie Fehrs was diagnosed with pancreatic cancer and in this same year had 5 major organs removed. In 1996 Charlie and his wife Ann decided to cycle from Lands End to John O'Groats. In Leeds Ann had to turn home after becoming ill but Charlie continued on.

Ann also became ill with cancer and in 1997 died in Beaumont House Community Hospice in Newark.

3 years ago Dickie and Charlie spoke about taking Ann's bike "Dawes" back to complete the same route as Charlie had taken in 1996 with Charlie as the backup driver.

This Summer Dickie Marshall and his son Leigh are keeping the dream alive and cycling from Lands End to John O'Groats on "Dawes" - revisiting Charlie's well kept journal of the route.

The proceeds of the cycling challenge will go to Beaumont House Community Hospice, Newark and also the Dialysis Unit at Nottingham City Hospital.

THE ROUTE

This is the route that we are taking from Lands End to John O Groats. We are looking for any family or friends that would be able to give us one night's accommodation, for two very well house trained men and a point in the direction of the local pub for an evening meal.

We have put this as a rough guide on some days if we are cycling well we may double up the mileage and continue onto the next town.

If you can assist would you please contact:
