

How to join our new club website

Registering

Pitchero

Our website is powered by pitchero who provide club websites for many different types of club. Therefore you will see references to pitchero.com and may receive emails from robot@pitchero.com or other similar emails. These are all safe to respond to and will not steal your bank details or football skills! By joining sass-fc.com you are also joining the pitchero community - which is a bit like facebook for clubs - but you don't have to do anything with pitchero to get the full benefit of our club website. It just sits in the background. If you want to know more about this go to www.pitchero.com.

Parents guide to joining sass-fc.com

Your first task is to go to www.sass-fc.com and click on the black join tab on the top right hand side of the screen. This will take you to a sign up screen where you enter a few basic details as shown overleaf.

Registration details

You need to provide a valid email address, your chosen password and some unique identifiers. The website has tight security and access to the site is controlled by different roles managed by the club. If your child is signing up as player to receive emails, they should be aged 14 or older. You may sign up on their behalf to receive team communications using your own email address.

Membership

There are different types of membership depending on your role within the club. Anyone can join as a supporter and see public areas of the site. To gain access to member areas as a parent or player click the APPLY button and choose the team(s) you wish to be associated with. (Note parents will have to change this for next season, players are moved automatically e.g. when U13s become U14s)

All applications are vetted first so there may be a slight delay in getting full access. You will receive an email telling you when your application is successful. You can return to this screen at any time to change your preferences.

You now have access to the website and member areas ! Get on the forums and tell us what you think.

Any problems email webmaster@sass-fc.com
