### Subscription Fees

Annual playing subscription must be received by October 1st giving players one month to complete and submit the necessary forms and payment. Any player who has not submitted the necessary forms by this date will not be viewed as available for selection by the selection committee. Any player who has not submitted the necessary forms and payment by November 1st ceases to be a member of the club.

All players MUST be registered with the RFU before they can play any matches for Bicester R.U.F.C. If a player is not registered with the RFU, a Senior RFU Registration form also needs to be completed and attached to this form. Senior RFU Registration status can be checked with Paul Chrisp.

If you are transferring from another club to Bicester R.U.F.C., please also complete a new Senior RFU Registration form and complete the 'Transfer' part of the form.

### Personal Injury Insurance

By completing and returning the necessary forms and payment, players are covered by the RFU Club Insurance Policy managed by Marsh. While this policy covers players against major accidents and fatalities, Bicester RUFC strongly advise players to take out an additional insurance policy to cover less severe injuries and loss of earnings which the RFU policy does not cover adequately. Details of insurance are available on the RFU and Bicester RUFC web sites.

### Match Fees

A minimum of £50 per home game is required from each playing team in order to part cover pitch fees, referee and catering costs. This can be covered by match fees of £5 per player or any other means such as a raffle or after match fines. The team captain or manager is responsible for collecting match fees.
