Just heard the news tonight and I am absolutely devastated. It was an absolute pleasure to play alongside stu last season for the 4th team (when he wasn't doing his bit for the 1st team). He was one of the many real club men who helped me to get back into playing rugby again and i will always be thankful for that.  
I can remember when the 4ths had a celebration for winning the league and cup, Stu was the first on the dance floor and the last one off it! Always having a laugh in the changing rooms after the game Stu will always be an absolute legend!  
RIP to a great man.

God looked around his Garden and found an empty place.  
He then looked down upon his earth and saw your loving face.  
He put his arms around you and lifted you to rest.  
His Garden must be beautiful, he always takes the best.  
He knew that you were suffering, he knew you were in pain.  
And knew that you would never get well on earth again.  
He saw your path was difficult, he closed your tired eyes,  
He whispered to you "Peace be Thine" and gave you wings to fly.  
When we saw you sleeping so calm and free of pain,  
We would not wish you back to earth to suffer once again.  
You've left us precious memories, your love will be our guide,  
You live on through your children, you're always by our side.  
It broke our hearts to lose you, but you did not go alone.  
For part of us went with you on the day God called you home.  
God Bless You Stu  
Great Man, Great Dad, Great Friend.

**Fiona (Chelts) Murphy**

Sarah, Ben and Sophie I still can't find the words to say how shocked and saddened both Oliva and I are.  
A flower brings colour, joy and life but all too soon it dies.  
The memory of that flower can last a lifetime.  
Stu a flower I hear you cry.  
Well He brought colour and joy to so many lives  
And His memory Will never die.  
Sweet dreams Stu  
Love Chelts & Olivia XXX

It's taken me a while to write anything because it's so hard to give a short statement about such a great man. To Sarah, Ben and Sophie, Stu was one of the most honest and decent men I have ever met, he was respected and loved by all of the boys and will be dearly missed, my thoughts are with you at this time.

It was always a confidence boost walking onto a pitch knowing Stu Marshall was in your front row.
