

ECFA beat by top of the League

The ECFA team went down fighting in a game which again see City have plenty of possession but a lack of chances on the Bedford goal and defensive errors see the home team lose 3-1. Marcus Woodington put in his best performance of the season and provided plenty of attacking option down the right hand side. Elliot Powell scored an excellent individual goal which reduced the deficit but it was not enough to avoid Bedford gaining the three points and moving top of the ECFA league.

Conference Game postponed

A late postponement on Wednesday morning see City's Conference Youth Alliance match against Birmingham postponed due to a water logged pitch at CPF. The game has been re-scheduled for May.

Injury News

The injury list is slowly starting to reduce with Rob Fay now back in full training after two weeks out, with Jamie Stephens and Adam Drhourhi recovering well from ankle problems. The one concern this week was Harry Beer, who picked up a quadricep injury which looks to sideline the player until after half term.

Development Begins at City

The long awaited £2.1m development of Court Place Farm has started to take shape this week with workmen moving on site to start the building process of a full size 3G artificial pitch & 6 netball courts. The build will also see a new pavilion, community room, stadium entrance and changing rooms built alongside with a car park able to accommodate 80 cars and a large bike rack.

Phase two of the development will see the internal redevelopment of the current dressing room areas.

Half Term Upon us

No U19 games to take place next week due to all full time students having a much needed and well earned week off due to the half term holidays. Fixtures upon return do however come thick and fast with a four week programme which will see the teams play Monday and Wednesday as we look to win the Oxfordshire U19 Schools League as well as compete for points in the ECFA and Conference leagues on Wednesdays.

Coaches prepare for Germany visit

Six of our football student coaches are counting down the days until a visit to Lemgo, Germany will enable them to undertake several sporting and cultural events relevant to their course. An all paid for trip will see the six Coaches fly to Germany for a week, staying in Bremen for two nights and then spending five days with our German counterparts, further details to follow!

****PLEASE TAKE CARE AROUND THE FOOTBALL CLUB AS THERE IS A LOT OF GROUNDWORK CURRENTLY BEING DONE, TAKE EXTRA CARE ENTERING AND EXITING THE CLUB AND AROUND THE GROUND****
