The Carshalton Athletic Football Academy is a full time sports and educational programme at Stanley Park High. The main aim of the Academy is to enable promising young

football players (16-18 yrs) to continue with further education whilst striving to become an established football player in the game.

The Academy is headed by Ian Hazel who is an ex professional footballer and UEFA "A" licence coach. Ian has managed Tooting & Mitcham , Sutton Utd & Carshalton 1st teams as well as working in Fulham FC Academy.

We offer a full football programme & academic program combined which includes 4-6 hours training per week as well as matches on Wednesdays. Every training session is structured and of the highest quality. You will gain pathways into the reserves and first team at CAFC. We currently play in Ryman Youth League & Conference youth Alliance league.

At Stanley Park High we are a very successful mixed community for students of all abilities, housed in a 'state of the art' building with facilities and equipment that fully meet the demands of learning in the 21st Century. We have a 4 badminton court sized Sports Hall, two MUGAs (Multi-Use Games Area - 1 of which is floodlit), two full sized football pitches, a 4 lane running track and fitness studio. If you would like a place at our Academy then please come to our trials at:
