

De Beers Associated Football Club

Registration Policy 2012

1. Registration Requirements

The Cape Town Tygerberg Football Association (CTTFA) requires that players be registered with De Beers AFC, CTTFA and SAFA prior to playing in a CTTFA competition.

De Beers AFC requires that players be registered and paid up members of the Club prior to playing in the competition or attending training.

2. Registration Process

- The Registration Process, including necessary documents to be completed, will be in accordance with the published CTTFA and SAFA requirements for that season.
- Payment of Membership Fees together with the provision of ALL Required Documentation as determined by CTTFA and De Beers AFC is required from each player before his/ her registration will be processed.
- Registration information and documentation for the current season will be published by De Beers AFC on its web site www.debeersafc.co.za prior to the Registration Dates.

3. Registration Dates and Times

- Completed registration documentation and fees must be handed to the registration administrator at the club's premises on Thursday evenings from 17h30 to 20h00.
- Registration runs from 1st February to 30th April each year. Cut off dates could be sooner depending on the number of applicants per age group. Once a specific age group is full (refer section 8 below for maximum numbers), registrations will close for that age group.
- Any amendments (as decided by the Committee) to the starting and closing dates for registration will be published on the De Beers AFC website and in a notice on the door of the registration office.

Members from the group Under 7 and up will receive a **R 200.00** discount on membership fees for the 1st member only if paid up in full by the **31st of March**.

All members transferring from another club to De Beers AFC will be charged an additional fee of R100.00. This to cover the cost levied on De Beers AFC for the making of the members CTFA and SAFA cards.

5. Registration Priority and Acceptance

- Registrations are done on a '1st pay 1st included' basis. Players that have registered and not paid their membership fees will be excluded if the maximum allowed number in that age group is achieved and fully paid-up players are waiting.
- The Club reserves the right to refuse Registration to a Player who has outstanding subs due from the previous year or if he/ she has been banned from the club before.
- Families who are experiencing financial difficulties may approach the club (through the registration administrator) to arrange payment options on a case-by-case basis. This will be treated confidentially.

6. Fees - Late Registrations

- Players registering at the club after 30th April will be liable for a late registration levy of R100.
- Our intention is not to chase possible members away but to encourage members to register within the defined registration window, as this process is administratively intensive and cannot go on indefinitely.
- The registration levy will only be waived by the registration committee for players registering late for valid reasons, such as not being in the country during the

registration period or a new member who is registering for the 1st time, and only if motivated by the applicable team manager in writing.

7. Refunds

- Pro-rata refund of Registration Fees will only be considered by the Committee if requested in writing prior to the start of the league fixtures.
- Requests for refunds after this time will not be considered.
- Where refunds are approved, the following amounts will be deducted from Membership Fees paid: the cost of the CTTFA registration process (levied by CTTFA) and a R100 De Beers AFC administration fee.
- Players de-registering from the Club and requiring transfer will be required to pay a R 50 transfer administration fee prior to receiving the required transfer documentation, assuming the player's club membership fees are fully paid up.
- Lack of match playing does not warrant a refund. Players not happy with the coach's match selections and rotation procedures are to bring this to the attention of the registration officer or an Executive Committee member, for further attention.

8. Excess Registrations

- Waitlisted places will be allocated in order of registration date. If the Club is unable to find a place for a player in his or her correct age group the following will be offered by the Club:
 - The opportunity to play in a suitable team in a higher age group only if there is a place available.
 - A full refund of their Registration Fees if they decide against playing in a higher age group.

9. Teams per Age Group

- Team size will not exceed the maximum number of players in the table above.
- Junior teams are allowed 6 substitutes on match days.
- Premier and promotion leagues are allowed a maximum of 3 substitutes per match.

10. Members Exempt from Fees (exemption of fees is not transferable from one person to another)

- Life Members are exempt from paying membership fees and by nature are automatically members of the club. Life members wanting to play football must complete the standard registration documentation required by CTTFA. Their children and grandchildren are not exempt from membership fees.
- A Coach from each team is exempt from paying membership fees but must still register with the club and CTTFA. The 1st child of that coach will be exempt from membership fees, subsequent children will be liable for membership fees. One coach will be allocated to each team.
- Team managers who are not playing members (if in addition to the coach) are exempt from paying membership fees and must register and be card carrying members if they wish to assist in the technical area when the teams are playing matches. Their children are, however, not exempt from paying membership fees. A team manager wanting to play football must register and is not exempt from paying membership fees.
- Club referees are exempt from paying membership fees and must still register with the club and CTTFA. Referees will be liable for membership fees if they are playing members. Their children are not exempt and will be liable for membership fees.
- Executive committee members are exempt from paying membership fees but must still register with the club and CTTFA, even if they are not playing members. All children of Executive committee members are also exempt from membership fees, but must still complete the registration process.
- Two previously disadvantaged players (as defined in South African Law) from each Junior team and the U19 age group are exempt from membership fees, subject to it being the responsibility of each coach to notify **(in writing)** the registration administrator of the names of these two players prior to the start of the season.

11. Players' Match Kit

- The club supplies team shirts for each team that must be returned to the coach after each game.
- Shorts and socks are each member's responsibility and are available for purchase from the club.
- Members playing matches must wear the official club colours as outlined in the clubs constitution. Failure to do so will result in the member being brought before the clubs disciplinary committee.

12. Team Selection

- Team selection is left to the discretion of the coaches. Please refer to the Coach's Hand Book for the club's team rotation policy and match day substitution procedure.
- Players and Parents not happy with the implementation of these club rules must please address their grievances in writing to the Chairman of De Beers AFC who will then forward it onto the responsible person within that age group.

13. Request for Transfer

- A request to transfer to another club must be submitted in writing by the player, after which the Club will issue a clearance certificate for the player.
- The player requesting the clearance certificate must have his membership fees fully paid up (including previous seasons) and is liable for a standard R100 clearance admin fee prior to receiving the clearance certificate.
- A clearance certificate will only be issued if the player has no outstanding obligations to the club.
