

All roads lead to Holme Park this weekend for the Wdental Mini Festival of Rugby... ..and what a day it promises to be. The festival will be split into morning and afternoon sessions. The morning will accommodate U7 to U10 A&B competitions, with the afternoon being the turn of the U10C and U11 A,B&C and U12 A&B formats. The first matches in the morning will kick off at 09:30hrs concluding with presentations just after 12noon. The afternoon action kicks off at 13:10hrs for the U11B and the balance of the age group matches start at 13:50hrs with presentations just after 17:00hrs.

We are expecting over 3,500 visitors on the day, so be warned parking will be tight so leave plenty of time to get from the parking area inside the ground and overflow parking at Bluecoats school to the pitches. Controlled parking will be in operation on all approach roads to the club. Team entry is free but we are charging a cover for parking of £5 per car or £2.50 for those arriving on foot to cover the expense of staging the event.

We will be welcoming old friends and new from Maidenhead, Bracknell, Tadley, London Irish, Beaconsfield, Wallingford, Slough, Swindon, Newbury, Amersham & Chiltern, Hungerford, Farnborough, Phoenix, Redingensians and Henley making up the 85 teams competing this Sunday.

We look forward to seeing you all Sunday and welcome any constructive feedback on the event.
