!! For the 2010 – 2011 Season and until further notice, Reading RFC will be using the RFU RugbyFirst database to hold and manage all membership data. There are many benefits for our club to do so, for more information please contact membershipsecretary@readingrfc.co.uk

Help us increase our membership - Reading RFC Executive Committee wishes to provide value for money for members. Your membership subscriptions are needed as part of financing the running and management of our club. If your subscriptions are paid on time and in full, we can use these finances to help our rugby development at all levels in line with our RFU Whole Club Seal of Approval, and reinvest funds where possible to enhance our facilities.

Reading RFC Executive members' incentive – if every existing member encourages 1 new social member in 2010 – 2011 season as a minimum, we can increase our membership income in excess of £25,000. If we achieve this target **we will** offer a 10% reduction in subscription fees in 2011 – 2012 season to all fully paid up members as at the end of April 2011.
