

Its only days to go before the Junior Festival!

This year we have been fortunate enough to have Imperium Consulting ([www.imperiumconsulting.co.uk](http://www.imperiumconsulting.co.uk)) as our main Junior Festival sponsor. Due to their generous donation we will be awarding "Winners" t-shirt to each of the age groups. This will not only promote our sponsor but will act as a powerful message to any prospective new comers to Holme Park. Once again a massive thank you to Mark Rayner of Imperium Consulting for his continued support! With this backing and the quality of teams attending The Imperium Junior Festival it promises to be an enjoyable day for all.

We would also like to thank all the RRFC volunteers involved in the festival. As you all know these events don't just happen—it takes a great deal of commitment, drive (excuse the pun) and enthusiasm to get these events from paper to reality so a sincere thanks to all you volunteers.

Last but not least thank you to our Youth Festival Sponsors! This is the first time (in my memory at least) that we have had a festival programme which contained this volume of advertising and the response we received was outstanding. Thank you for showing your support of the Youth section by advertising its greatly appreciated and shows a true "TEAM effort!"

Good luck to all the teams involved in The Imperium Junior Festival this Sunday!

Thanks

Matt Newman

Youth Chairman
