Risk Assessment Guidelines

The person responsible for a team or event should be aware of potential risks, and seek to minimise those risks.

Playing/training area

Check that the area and surroundings are safe and free from obstacles or dangerous objects.
Is the area fit and appropriate for activity?

Equipment

Check that it is fit and sound for activity and suitable for age group/ability.
Is the equipment safe and appropriate for activity?

Performers

Check that performers are appropriately and safely attired for the activity.

Emergency points

Check that emergency vehicles can access facilities, and that a working telephone is available with access to emergency numbers.
Are emergency access points checked and operational?
Is a working telephone available?

Safety Information

Are emergency procedures published and accessible to those with responsibility for sessions in the club?

Check that the medical information and contact details for performers are available.
