# MKRUF C Player Club Kit Agreement.....

With matches already underway, this season we would like to get as many 1s, 2s and 3s players in standard club kit from mid September. While we would ideally like to get as many sponsored players as possible, we appreciate many players may not be able to source a sponsor and may wish to purchase kit themselves. We would also like to order the kit now and then allow players to either source a sponsor to cover the cost, pay as a lump sum by mid October or pay by an additional £5 match fee payment during the 1<sup>st</sup> half of the season at COST prices.
