

MKRUFC VACANCY WITHIN NEW CLUB STRUCTURE

CLOSING DATE OF APPLICATIONS: Friday 4th March 2011

Apply by email to Club Chairman, John Theobald (j.theobald@talktalk.net) explaining why you would be suitable for the role

Director of Seniors Rugby

The playing future of the seniors section of the club is in your hands. You will lead a group of coaching, captains, team managers, support volunteers and paid staff with the aim of producing successful teams on and off the field. You will form part of the executive committee.

Ideally, you'll need to:

Be well-organised and hard working

Have a team ethic, displaying personal discipline, pride and selflessness

Communicate clearly with players, management, coaches, volunteers, the club committee and media both on and off the pitch

What you'll do:

Manage the seniors playing section of the club and make the necessary appointments to develop participation and level of rugby played within Milton Keynes.

Create Team Standards consistent with the values of the game in consultation with the Team Managers, players and support volunteers

Set up a process to develop players through the club and beyond

Promote the club to potential players and the wider community

Prepare a plan and budget for long term player development

Set a philosophy and long term strategy for development of seniors rugby within Milton Keynes

Implement processes across the seniors section of the club to optimise fitness & conditioning, prevent & evaluate injuries, coordinate training & recovery sessions

Establish a transparent selection policy

Advise on planning training to ensure team and individual player needs are met

Ensure all players receive clear, honest feedback and appraisal of their performance

Complete a full written report annually that evaluates the selection criteria, game plan, strategies and player progression

How much time it will take up:

Around six to eight hours a week

What you'll get out of it:

Seeing the teams and individual players under your guidance display improvement and progression will be your main reward.
