**IMPROVE YOUR GOALKEEPERS**

The goalkeeper is one of, if not the most, important players in the team - **FACT**  
Often neglected, the position of the goalkeeper is a specialist role with great responsibility and importance within the team. A reliable consistent and confident goalkeeper is crucial to any successful team.

Regular, specialist goalkeeper coaching and practice is vital to ensure a goalkeeper both maintains and improves techniques crucial for consistency in match-day situations.

## **CLUB GOALKEEPER COACHING**

**First Session  
FREE !!!**

- Based in Bradford, Paul Brown Goalkeeper Coaching will come to your training ground to coach and improve your goalkeepers as a group or individually.
- We coach all ages (8+) and abilities from juniors to adults.
- All aspects of goalkeeping are covered from the basics to the more technical.
- Our experienced, qualified coaches will identify your goalkeepers coaching requirements and base the coaching sessions around these requirements.
- Coaches will also actively encourage feedback from the goalkeepers and managers as to what they feel they require.
- Sessions are usually 1.5 hrs but can be arranged to suit your training times.
- You can arrange weekly, fortnightly or monthly goalkeeper coaching sessions to suit your goalkeepers.

### **Introductory Session Price**
