Dear Parent(s)/Guardian(s) and Player(s) of TTHFC

As a matter of concern, we are forwarding you this information. Please ensure you read and adhere to this information for the safety of your son/daughter.

Due to expansion of the club we are using Henwick Worthy Playing Fields and Astro pitch for some Training sessions and Matches. However, as the Henwick is open to the General Public, you do need to ensure that you know what time your training starts and finishes as your Coach is only responsible for your children within these times.

Please ensure that you hand over your child to your coach and collect them from the playing/training area. Dropping off at the car park is not ideal and your child remains your responsibility in the car park area.

Firstly, if you are not staying at the Training session or match then advise your coach. **It must be noted that late arrival for pick-up shall not be tolerated**, however, if you know you are going to be late for any reason you must inform your coach at the earliest opportunity. Your child must then stay with the coach and parents/guardians must collect the child from him.

1. If you are not there to collect your child when the session is finished for whatever reason. They must inform their Coach, and he will in turn check if there have been any messages left for him.
2. In this situation, please ring your child's Coach on his mobile number to advise him that you have been delayed and what time you expect to be back.
3. When your child's training session is over your son/daughter will collect their belongings and wait with their Coach until they are collected. Please do not bring any valuables to the training sessions and could you please ensure that you throw away your empty wrappers and water bottles in the bins provided.

We do encourage parents to stay whilst their children are at Training Sessions. Also, for the safety of siblings, please ensure that they do not wander off on their own.

Many thanks for your co-operation

"Football Fun for All"

Thatcham Town Harriers FC Committee.
