

FINAL: 'WHISTLE SUCCESS

A very successful day. Long day of very hard work but members pulled together magnificently. Much preparation work had been carried out in the couple of weeks running up to the final and considering the poor weather over that period the club was rewarded with a lovely warm day.

Congratulations to all who helped carry out the many jobs required. A large crowd bathed in sunshine saw a good game of cricket with Guiseley coming out on top with three overs to spare.

The League were lavish with their praise for the state of the ground, the arrangements, the organisation and the hospitality and teas and it can only have done much to further enhance the name of Illingworth as an important member of the league. PAS

So you think you know the Club... You will now.....!

As a pre-launch of the Club's much awaited 125th Anniversary Brochure, one of the Co-Authors, President Andrew Smith will talk to the Calderdale Historical Society in the Pavilion on the History of Illingworth CC.

The event is bound to be informative as Andrew adds to his successful seminar to the Calderdale & Kirklees Cricket heritage project at Huddersfield University.

Members are strongly encouraged to attend this event and gain a true insight into the immense history of the work which will chart the problems, successes and development of the Club to its present successful state.

STAY MEAN AS WELL AS GOING GREEN

Following the rise in energy costs, the Chairman and Treasurer quite rightly issued a plea to all members, young and old to help keep costs down at the Club by ensuring that lights are switched off and taps are turned off immediately after use. Sadly there have been several unnecessary instances that have had a massive impact on the Club's coffers.

The Club has limited finances which are always stretched to the full. Everyone's contribution to saving energy will have a significant impact for the Club. Thank you for your considered co-operation with this important request as well as supporting every Social event which members organise voluntarily for the benefit of the Club.

Let there be light

Thanks to the preparatory work undertaken by Russell Lockley of 'RJL Interiors' the Club's electrics are compliant with necessary regulations and standards and therefore have passed scrutiny inspection from the Local Authority.

The famous
**'KARA & TINA'S
 CURRY NIGHT'**
Saturday 3rd October
2 Sittings
Tickets Still Available
£10 each.

UNLUCKY 13s TABLE TOPPERS

After a fabulous season, the Under 13s came joint top with Low Moor in The Halifax Junior cricket League Under 13s League. A subsequent 'play-off' took place at Illingworth.

A very well supported Low Moor side eventually emerged close winners to take the League Title against an Illingworth side missing several key players who were on holiday.

Congratulations to all players and Coaches on an excellent season.

TOP SCORE-ERS!

Congratulations to Sarah Smith and Claire McAdam the 1st and 2nd XI Scorers respectively who have been almost ever present this season in the Scorebox each Saturday.

Sarah Smith's high quality work and electronic expertise was recognised by YCB Officials and was asked to help score for Leeds University earlier during the season.

Both girls Scorebooks will be entered into the Airedale & Wharfedale Scorer of the Year Award at the end of the season. Congratulations and Good Luck to both.
