

CAN YOU HELP?

Grove RFC has the opportunity to gain the playing services of a young man from Georgia. His name is Alex Gamgonidze and his very good playing credentials are shown below.

Alex wants to come to England to play rugby and has shown a very strong interest in our club. If his application to the Home Office is successful he will travel to England on a six month visitors Visa. He has stated that he can support himself financially while here but is looking for free accommodation. He is prepared to work at any job although without a work permit he would not be able to be formally employed. He may also be looking to study whilst in England. Can you help with accommodation for up to six months?

Alex Gamgonidze

Age : 20

Weight : 101 Kg

Height : 1.94 metres

Nationality : Georgian

Georgian-native

Russian-fluent

English-fluent

French- good

Computer literate

I believe if we wish to go ahead and formally invite him to play at Grove he could be here within a matter of just a few weeks. If he fits the bill for our 1st team squad he would then be able to play for virtually all of the remainder of the 2011-12 season.

Beyond that who knows?

I will be happy to meet him at the airport and bring him to his accommodation which should be in the Grove / Wantage area for preference.

If you believe you can help with the accommodation Alex is seeking please contact me ASAP in order that all arrangements can be made.
