Dear David

On behalf of the pupils, staff and Friends of Frank Wise School, may I express my sincere thanks to you and everyone at Banbury United for the kind donation of £250.00 from the recent concert.

I enjoyed the evening so much and like you was sorry there were fewer people there this year. I was so glad to hear though that the concert was a success and that you have organized the event again. We are delighted that ~~The~~ Friends of Frank Wise will once again be one of the beneficiaries. I am sure the Brass Band of Central Florida will be a huge success and I look forward very much to coming to hear them

We are as always very grateful for the continued kind support Banbury United gives Frank Wise School, not only with the fundraising, but with the commitment to the learning disabilities football team which so many people give their time to support.

Yours sincerely,

Jill Head  
Secretary of The Friends of Frank Wise School
