Dear David

Thank you, on behalf of everyone at Katharine House, for the kind donation of £250, being the Hospice's share in the proceeds from Cory Band Concert. This is so very much appreciated and your receipt is enclosed.

We look forward to the next brass concert, the Brass Band of Central Florida, in November. Thank you for choosing Katharine House as one of the local charities to benefit.

Thank you for your kind words about the Santa Fun Run back in December. We certainly enjoyed the day, and have a video of the event on YouTube. The name of the video is 'The Katharine House Hospice Santa Fun Run 2010', and it can be found by entering 'Katharine House' into the YouTube search box.

Please pass on our thanks to everyone at Banbury United for choosing to support Katharine House in this way.

Kind regards

Yours sincerely

*Sue*
