### **Explanatory Notes**

#### **Registration Fees**

The fee to register as a member of Portishead Town Football Club (Youth & Mini) is set at the AGM and reviewed periodically. Currently the registration fee is £40 per player per season. Players whose registrations are dated on or after 1 January in any season will pay 50% of the full season fee (£20).

For the 2011-12 season only, the Club is offering a superb Portishead Town Centenary Jacket in addition to the annual registration fee at a combined cost of £50 which represents a significant discount on the cost of purchasing the two separately. A leaflet with details of the jacket is attached and samples are available via your team manager.

If a player transfers from another club, no account will be taken of fees paid to the other club. The Portishead Town registration fee is payable in full.

If a player transfer between two Portishead Town Club teams (e.g. from Portishead Town Juniors to Portishead Town Youth) then only one registration fee is due.

The registration fee is not refundable in any circumstances.

#### **League Registration / Transfer Fees**

Portishead Town FC is responsible for any costs of registering players with the relevant leagues and/or any transfer fees that may be payable to any league.

No player will be registered with any league (and therefore will be unable to play) until payment of the Club's registration fee has been received in full).

### **Registration Procedure 2011/12 Season**

1. The player and player's parent/guardian must complete **ALL** of:
  - a. The Player Registration Form
  - b. The Player's Medical Record, and
  - c. If appropriate, the relevant league registration form or league transfer form
2. The completed forms should be handed to the relevant Portishead Town Juniors/Youth Team Manager together with full payment of the registration fee.
