President's Foreword

Having celebrated the club's half century we can now look forward with confidence to this new season. We have a new, young, energetic chairman in place, a committee that is clear about what it wants to achieve, enthusiastic and skilled coaches for seniors, youth, minis and girls and new changing facilities to be in operation by October.

The number of playing members is always an issue for smaller clubs and the development plans that we need to put forward to enable us to have our RFU Seal of Approval re-ratified will need to deal with this issue. However, the main driver for recruitment has to be the networking of the current playing group. If every player were to recruit one new player then the strength of the club would be doubled.

So let us look forward to promotion for the first team, a full season for the second team, a floodlight programme for the Vets and continued success for the minis, youth and girls.

Have an enjoyable season and make sure you pay your subs!

Jonathan

Important Information

Youth and Mini Rugby

This is the future. The Youth and Mini sections train from 10.30 to 12.00 on a Sunday morning. All coaches require CRB vetting (a straightforward form to complete and proof of identity), but occasional helpers are also welcome. If you have never been to the Club on a Sunday morning and seen how many youngsters take part in training, you would be astonished; we have over 150 children registered from age 6 to 18.

For those already taking part, remember we are always recruiting new players and volunteers. If you know someone who would like to play, of any age or ability, provide first aid or even run raffles or help in anyway please get in touch. The club relies on volunteers and through the effort of everyone who supports the club, it has become one of the largest community groups in Royston.

Mid-week junior training is now taking place; the U13s are training on Wednesday evening at 6pm and the U14s on Thursday evening, also at 6pm. Current turn-outs are great and the extra skills learnt and time spent together will, no doubt, make the upcoming season more enjoyable and successful.

Please also familiarise yourself with the club's new website, www.roystonrugbyclub.co.uk. It's a great tool to update players, parents and supporters of our club with the latest news, fixtures & results for all ages, photos and upcoming events. Please upload all the photo's you have and share them with other parents and players. Sign up today and keep in touch, we will inform all of important club news and information through the site

Subscriptions

Mini and junior subscription for this season will be £45 for all age groups and £30 per child thereafter for the year. Over an 8 month period this works out at £1.25 per week which helps the club provide 2 hrs training, after-match teas, qualified coaching, the new changing rooms, pitches, equipment, festivals and awards. Please arrange to pay on Sunday mornings or contact Daf Hudd (07881466223) to renew or register.

Senior subscription for the 2011/2012 season will be £70 with a £10 discount applied if paid before 1st October 2011. Match fees will stay at £7 per game, £3.50 for student or employed. Please bring cash or cheque to training or contact Jamie Green (01223 208889/01763 244109) if you wish to play for the senior sides this season, no pay, no play.

Senior Training and Selection

Training sessions are at the Club beginning at 7.00 p.m. Tuesday evenings. Make the effort; it is worthwhile for the enjoyment of your game and also to the success of the club on the pitch on Saturdays. We have a new senior coach in Billy Richardson who is bringing a fresh new approach to training and is organising, alongside the committee, a structured training plan for the senior sides.

If you are unable to play, or doubtful, please let your team captain know as soon as possible. This helps prevent problems in assembling teams later in the week. You all swear about the late cry-offs – try not to be one. If you are available but not selected, let a team captain know and turn up on Saturday at the earliest meet time with your kit. You may well get a game, even if only as a substitute.

Turn up on time – you need to be well prepared to play effectively. If the weather is poor DO NOT ASSUME games are cancelled as the venue may be changed or an alternative fixture arranged at short notice.

If you have not been informed of your selection by Thursday contact any team captain or look on the Club website: www.roystonrugbyclub.co.uk. The new website is a great tool to update everyone of club news, fixtures & results and upcoming events. Please sign up today and keep in touch, we can start to provide team sheets and selection emails every week, you can upload photos or browse through others and as a club we can notify you of important information.

Insurance

The Club carries the minimum R.F.U. cover for death, loss of eyes, arms and other appendages. It does NOT cover loss of earnings. This is your responsibility.

Welfare Statement

Royston Rugby Club takes safety and welfare seriously and is committed to good practice in all aspects of club activities to ensure that all members, regardless of age, can enjoy rugby and club activities safely and enjoyably.

We achieved Seal of Approval status in summer 2007 and take our responsibilities seriously. Please see appropriate policies and practices relating to child protection, health and safety and first aid.

Coaches and helpers at the club are trained and frequently updated with the latest policies and all junior coaches and club officials are CRB checked. However, ALL club members have a responsibility to familiarise themselves with basic safety and first aid procedures including the location of the nearest phone to call for medical assistance and the post code of the club to provide paramedics with accurate location information for a speedy response. The postcode of the club is SG8 5BG.

Child Protection Policy

At Royston Rugby Club we believe that taking part in our sport should be a positive and enjoyable part of children's lives. We want to make sure that children are protected and kept safe from physical, sexual and emotional harm while they are with the Club's coaches, helpers and other volunteers.

To do this we have these aims:

1. All coaches will go on a **START Coaching Rugby Union** Course before they begin working with children.
2. All coaches and other volunteers will have a job description.
3. There will be women coaches as well as men.
4. All coaches will be qualified to Preliminary Award level before they are allowed to be the Head Coach of an age group.
5. The Club will encourage and help coaches stay up-to-date with rugby, coaching and child protection issues. Each lead Coach will attend an NCF Coach Protection Workshop.
6. All coaches will be given a copy of the Club's Code of Conduct for Coaches and be expected to keep to it at all times.
7. We will keep written records of attendance, parental consent and accidents.
8. We will provide a written Health and Safety policy covering fire procedures, telephone access and first aid and emergency procedures.
9. We will provide coaches and parents with a written procedure for dealing with accusations or suspicions of child abuse.
10. As a club, we will promote 'fair play' and always play within the spirit of the laws and the letter of the continuum.
11. We will identify a person whose role it is to deal with any concerns about physical, sexual or emotional abuse within the club.
