 of all our local sponsors***

About Sherborne RFC

Sherborne RFC is a young club having been established in 1980. Renowned as a friendly and hospitable club, Sherborne's emphasis on enjoyment, participation and good sportsmanship is reflected from the youngest of teams.

Sherborne is a thriving community Rugby Club with over a thousand members, supporters, players, parents and volunteers. Affiliated to the Rugby Football Union the first XV plays in the Southern Counties South league and the second XV in Dorset & Wilts I South. The senior squad and colts train on Tuesday and Thursday evenings from 7.00pm.

Mini and youth sections have a full compliment of teams from u7 to colts. Girls rugby is strong in Sherborne with the "Sherborne Pinks" running teams at u16 and u18.

The club is fortunate to enjoy the support of a growing number of Vice-Presidents. For a minimum donation of £50 VPs gain priority booking for international tickets, enjoy special events and newsletters throughout the season. Details of VP membership are available from Kev Hunt on 01935 873641 .

We are indebted to our local sponsors who provide invaluable support.
