

Are you looking for a career, not just a job?

Our client, **Perth's leading Volvo dealership** is currently looking for the right person interested in commencing their career as a Volvo Mechanic as a **First Year Apprentice**. The successful candidate will undertake a 3 year **Volvo** apprenticeship.

You will need to be able to demonstrate or provide proof of:

- A genuine interest in Motor Vehicles
- Commitment to completing the apprenticeship
- C Class Drivers (Manual) License preferred.
- Availability to start in November/December 2011
- Australian Residency with unrestricted right to work and remain in Australia

Excellent working conditions, modern workshops with the latest in vehicle technology with training delivered in Perth as well as residential training periods at the Volvo training centre in Sydney. On completion you will hold an internationally recognised Volvo qualification

Become part of a solid team and reap the rewards of dedication and sound work ethics

Apprentice wages apply.

Interested? Please Apply Now with your resume and a cover letter outlining your suitability for this role.
