

We are offering a range of packages for your company to develop its corporate awareness amongst the club, its supporters and the wider Rugby League community. To cover our costs and to enable the club to fulfill all of its ambitions this season the club requires sponsorship to help with the running costs. These include match and training kit, transport to away matches, providing food to visiting teams and funds to help the development of the sport in and around North East Worcestershire.

Whether your involvement comes through a love of Rugby League, a desire to promote your business through the fastest growing sport in the UK or simply a recognition of the benefits of association with voluntary organisations with a national profile, N.E.W. Ravens Rugby League has much to offer the potential sponsor.

N.E.W. Ravens Rugby League will gladly tailor a sponsorship/advertising programme to enable you to maximise your benefit from the country's fastest-growing summer sport.
