

Skipton Rugby Club presents:

“An Introduction to Rugby”

A two day Summer Camp on 1st & 2nd August 2011 from 9.30 – 3.30 pm for 7 -14 year olds.

**£40 for
2 days**

Skipton Rugby Club’s “Introduction to Rugby” Summer camp is for 7 -14 year olds who have never played rugby, played a bit or want to improve their basic skills. If you want to play, we want to help you.

The aim is to introduce and develop the core skills of the young rugby player with an emphasis on enjoyment in a safe and controlled environment. The camp will be delivered by an experienced and qualified coaching team with 7 & 8 year olds grouped together for Tag Rugby and 9 – 14 year olds, split by age, size and ability, looking at a wider range of skills including contact.
