Yesterday you could not afford to get injured...today you can!

******Sport Shield are the new Fox FC First Team Kit-Sponsors for the 2011/2012 season******

Income protection cover for amateur sports players – we arrange cover so that if you have an accident or become ill (not just through playing sport) then you can ensure that you get a tax free income while you recover.

- Cover from 12 to 24 months for short term policies
- Cover up to 65% of your income or £2,000 per month, whichever is lower
- Cover for the self-employed as well as the employed (this is important as self-employed people do not receive any employer benefits)
- Cover can be changed as your circumstances change
- Cover from age 18 – as long as you working at least 16 hours per week
- Your local sports club will share in the rewards

A typical policy premium for a 25 year old male, wanting cover for £750 per month (tax free) for up to 24 months, with a 30 day excess (waiting) period, for accident and sickness is £17.76 per month.
