### For the attention of the proprietor

The Fox FC was set up in 2009 with one main aim. Raise money for Cancer care. Through the hard work of the club we set out to raise around £300 a year, however in our two years since formation the club has raised over £10,000 for cancer care through various events and efforts from the team.

It is important to keep the club in existence and in these tough times running a club is a very expensive task. We have there for set up a special way for people to support the team but also get something in return. We now run a chairman's draw, it is £10 a month to enter, however you have a chance of winning at least £100 each monthly draw and as much as £500 in exclusive bumper draws. (depending on participating numbers)

The money raised from the draw helps to keep the club running and to continue the excellent work we do for charity, a percentage of the money will also be added to the total we donate at the end of each season.

Companies can either pay £10 a month to be in the draw or pay a one off fee of £100 and get two months free

**By a company donating £10 a month for 12 months standing order (or £100 one off payment) you will receive the follow if you win the monthly draw:**

1. Chance to win £100+
2. Logo and link to your official website on the [www.foxfc.com](http://www.foxfc.com) website
3. Classed as an associate sponsor, which gets you featured in the clubs newsletter & Site
4. 1 month advert in the local link magazine (1/16th page - 63mm x 47mm) By companies supporting us in return the club will arrange for an advert of your company to go into the Local link magazine worth £90.
5. Logo will also appear in the Match Program for our up and coming match v Man U in June.

THE CAN DO PAINT

**Main Club Sponsor: Glidden Trade Paints**

Fox FC in aid of Marie Curie Cancer Care:

Email: [Lee@foxfc.com](mailto:Lee@foxfc.com) Website: [www.foxfc.com](http://www.foxfc.com)

**Sponsored By: Quintal Healthcare Ltd**

**First team Kit Sponsor: Sports Shield, Reserve Team Kit Sponsor: Glidden Trade Paints & Dougies Taxis**

As you can see by paying out a small monthly fee or one off payment, the benefits your company could receive outweigh the initial expense and at the same time you are helping keep the Fox FC in existence and helping us continue to raise money for charity.

There is a maximum of 100 members in the first phase, that means for 2012 you have a 1/100 chance of winning each month which is excellent odds. One monthly win would get you your money back plus a whole lot more.....and the chances are **YOU COULD WIN AGAIN!!!!**

If you are interested, please email [lee@foxfc.com](mailto:lee@foxfc.com) for standing order details.

Kindest Regards

Lee Quickmire
