All volunteers working within SRFC's Youth Section are encouraged to work to high standards and adopt best practice wherever possible. The club has its own policies and guidelines which are enclosed within this pack

The welfare of your child is of paramount importance to us.

2.1 UNDER 7 to UNDER 12 AGE GROUPS

All players no matter their age or ability want to participate in some form of competitive game. To cater for this the shape of the game for each successive age group must take into account the ability, attitude and maturity level of the players so that all can participate purposefully.

At U7 and U8 children will play non contact "TAG" Rugby (5 to 7 a-side).

At U9 and U10 as children progress and develop their skills we start to introduce contact, tackling, scrums and line-outs where they play Mini Rugby (9 a side or less).

At U11 and U12 kicking the ball is allowed and they play Midi Rugby (12 a side or less at U11 and 13 a-side or less at U12).

There are no leagues in 'TAG' or Mini/Midi Rugby.

A number of fixtures and festivals will be arranged against other clubs by age group, these will be either home or way. However, there is a balance between games and practice/teaching sessions. It is our policy to make sure that every child is adequately trained and ready to play in matches before going so. These games are in the main Tag, Mini or Midi rugby, however, all games whether they be within the club training sessions or fixtures/festivals against other clubs will be played under the rules of the RFU Rugby Continuum. All

practice/teaching/training sessions will only be structured as outlined in the rules of the RFU Continuum.

Details of this year's activities (fixtures, practice and festivals etc) can be found in this Welcome Pack.

Also included in this pack are the Club's Codes of Conduct which we expect all members, parents, supporters and visitors to adhere to at all times, whether at the club, away matches, festivals, tours or any visits arranged/organised by the club.

Parents are welcome to watch training sessions and matches and to give positive encouragement to all participants. However, you are welcome to leave your children in our care subject to a couple of caveats;

It is inappropriate to leave younger children, and parents of Under 6 and Under 7 are strongly recommended to stay.

Please ensure that a coach or team manager is aware your child has arrived as a register of attendance is kept as a requirement of our welfare policy.

We cannot be held responsible for any child until such time as their coach/manager knows they have arrived!

Please make sure you return in time to collect your child at the end of the session/match.

2.2 MEDICATION

If your child is taking medication e.g. Asthma inhaler etc, the club or any coach, manager or helper will not be responsible for its safe keeping or for its administration. If your child has to take medication it will be your responsibility to make sure he/she has the drug with them and is aware and capable of when and how to take it, or you, or a responsible named adult is present to do so.

The club reserves the right at any training session or match to refuse to teach, coach or play any child where:

- They do not have the medication available.
- Do not know how and when to use it.
- There is no parent/guardian or named responsible adult present.

2.3 WHAT DOES YOUR CHILD NEED?

Suitable clothing to train in, shirt, shorts, track suite or sweatshirt, hat, gloves and a waterproof coat are recommended as it gets colder, football boots with safe studs are fine. At Under 9 onwards gum shields are essential. These can be purchased from the club or sports shops but better ones can be made by your dentist or from Opra who visit the club in early season and custom make gum shields for individual children.

It is essential that children maintain fluid intake during exercise, so please give them a drink to bring.

2.4 WHAT DOES IT COST?

There is an annual subscription of £80.00 for each child per family, or a Family Membership of £160.00 (two non playing adults plus one youth player) Any additional youth player(s) as part of family membership is/are £80.00 per player.

This subscription is not due immediately – we are very happy for children to come down and try rugby for a few weeks to make sure they like it.

Whether training or playing matches the safety and welfare of players along with their development and enjoyment in taking part is the paramount objective, winning is a bonus.

3 JUNIOR (Under 13 to Under 18) PLAYERS & PARENTS

At Sidcup RFC Junior training sessions and matches take place on Sunday mornings from the beginning of September to the end of April at 10.15am until 12.00 noon.

The aim is to teach and develop each young person's basic skills by:

- Introducing the game in a safe and friendly environment
- Developing the skills of the young people progressively according to their ability, using appropriate coaching methods.
- An understanding of the Laws of the Game and the Player's Code of Conduct.
- Encouraging a good standard of behaviour on and off the field
- Encouraging fair play and good sportsmanship.
- Avoiding overplaying of players, by using a squad system.
- Ensuring development comes first, winning second.
- Ensuring that all equipment and facilities are safe and appropriate.

The welfare of your child is of paramount importance to us.

3.1 UNDER 13 to UNDER 18 AGE GROUPS

At U13 to U18 boys and girls train and compete separately and play the 15 a side game. Again, the objective is to develop the playing ability of all players through individual skills, unit skills and team play along with an understanding and knowledge of the laws of the game and its traditional values. Matches at all age groups are played against other clubs, however, all games whether they be within the club training sessions or fixtures/festivals against other clubs will be played under the Laws of the Game of Rugby Union, Under 19 Variations. There will, however, always be a balance between games and training/practice sessions.

There are no leagues in Junior Rugby U13 U16.

Colts, U17 U18 do play in County Leagues as well as friendly matches.

All games whether they are within the club training sessions or fixtures/festivals against other clubs will be played under the rules of the IRB Laws of the Game of Rugby Union Under 19 Variations. All practice/teaching/training sessions will only be structured as outlined in the IRB Laws of the Game of Rugby Union Under 19 Variations.

Every player at whatever age level will be treated equally and be given the opportunity to play in competitive matches however there may be times when the ability of the individual player and/or the strength of the opposition have to be taken into account when selecting the side.

Details of this year's activities (fixtures, practice and festivals etc) can be found in this Welcome Pack.

Also included in this pack are the Club's Codes of Conduct which we expect all members, parents, supporters and visitors to adhere to at all times, whether at the club, away matches, festivals, tours or any visits arranged/organised by the club.

4.3 DISCIPLINE POLICY

It is the Club's responsibility to deal with any act of indiscipline on the field of play by players, and/or any of their supporters and spectators on the touch line, or any club member who at any time uses threatening, abusive or insulting words or behaviour towards any other member or visitor to the club or in any way brings the club or the game into disrepute. Any member, whether player/supporter/spectator will have a right to the Club appeals procedure following any penalty imposed. Any player/spectator supporter who appears before the County Discipline Sub-Committee is reminded that there is a levy imposed by the County Discipline Sub-Committee as detailed in section 6 which the player /spectator/supporter is liable for.

DISCIPLINE PROCEDURE

4.3.1. The following outlines the procedure to be followed where an act of indiscipline has taken place:

4.3.1.1 Player sent off (Red Cards) by the referee (Society or Club)

The Captain of the team concerned **MUST** report the name, contact detail and playing position of the player sent off, the match including the opposition and any relevant details to the Club Secretary within 24 hours of the sending off.

In the case of Youth Players (those who are 17 years old at the time of the offence/incident) and are playing in a club adult match the same procedure will apply.

For players who are 17 years of age at the time of the offence/incident and are playing in U19 (Colts) matches the coach or manager of that team **MUST** report the name, age, DoB playing position, contact details of the player concerned, the referee's name and society (if any) and the opposition and any relevant match details to the Club Secretary within 24 hours of the incident.

This is important as it is mandatory that the Club Secretary has to report the incident in writing to the Kent County Discipline Secretary within 72 hours of the incident.

Referees (Society or Club) must in all adult matches report all players sent off to the Discipline Secretary of the County Constituent Body of the player's club on the RFU Discipline Report form. Copies for 'Club Referees' are available from the Club Secretary.

For all incidents involving youth players, playing in club matches at any age group below and including U18, the referee (Society or Club) should send the report form to the Club Secretary and the relevant Youth Chairman within 48 hours of the incident.

4.3.1.2 Player Sin Binned (Yellow Cards) by the referee (Society or Club)

The Captain of the team (or his representative) must report the name of any player sin binned (shown a yellow card) during a game (this relates to all teams and is irrespective of there being a Society or Club referee officiating) to the Chairman of Selectors at the selection committee meeting following the sin binning. If there is no

representation from that team at the next selection meeting the Captain must inform the Chairman of Selectors by telephone.

In the case of Female Players the name of the player sin binned should be reported to the Ladies Chairman who will keep a record.

A record of players being sin binned will be kept by the Chairman of selectors, any player, who in the opinion of the Discipline Sub Committee, has an excessive amount of yellow cards will be asked to appear before that Sub Committee to explain the reasons why.

In the case of Youth Players the coach or manager of the relevant team should report the name of the player sin binned to the relevant Youth Chairman who will keep a record.

4.3.1.3 Acts of Foul Play not Detected by the Referee/Match Officials

Any member/player who witnesses an act of foul play or bad behaviour by a player (of any club team), can report the incident giving name(s) and details of the incident to: the Club Chairman, Chairman of Selectors or Club Secretary as soon after the incident as possible.

Any incident of foul play involving a member of an opposition team that has or has not been dealt with by the match official(s) and is witnessed by a Sidcup player/member can be reported to the Club Chairman or Secretary without delay so consideration and action can be taken if appropriate.

In the case of Youth Players the report should be given to the relevant Youth Section Chairman.

A Citing may only occur where an act of foul play was not detected by the match officials.

Only Unions, Constituent Bodies and Clubs may cite, not a player or a spectator.

Any consideration for a Citing must be reported to the Club Chairman or Secretary immediately as there is a very short time scale and a detailed procedure that has to be followed.

4.3.1.4 Acts of Bad Behaviour by Players, Members, Spectators, Supporters or Visitors

Any member/player who witnesses an act of bad behaviour at any time by any Club Member, or visitor to the club, of whatever age, can report the matter to the Club Chairman or Secretary or any member of the Club Committee so the appropriate action can be taken.

4.3.2. THE DISCIPLINE SUB COMMITTEE

The Discipline Sub Committee will be responsible for investigating and taking action on any sending off, or any incident of foul play or bad behaviour by a Sidcup player not detected by the Match Officials and instances where a player has been sin binned an excessive number of times.

The Discipline Sub Committee will also investigate and take action on any instance of indiscipline or bad behaviour by any Sidcup member, supporter or spectator.

The Discipline Sub Committee will exercise such power in a fair and open manner with the accused always having a right to attend and put his/her case after first been given reasonable notice of the hearing and to exercise its power without prejudice.

4.3.2.1 The Discipline Sub Committee shall consist of:

The Club Chairman (who will chair the Discipline Committee), The Chairman of Selectors, The Captain of the Club, one other member of the General Committee and the Honorary Secretary. In cases involving female players the Ladies Chairman will attend instead of the Chairman of Selectors.

The Discipline Sub Committee will meet within five (5) days of the act of indiscipline, offence or incident in question. Further meetings may be held if circumstances require this.

The reported player, member, supporter or spectator **MUST** attend the discipline hearing. He/she may, if they wish, be represented by one person of his/her choice.

The Committee may also receive evidence (either verbally or in writing) from any other person(s) who witnessed the incident or was involved in it.

4.3.2.2 Those present at a discipline hearing will be:

- The player, member, supporter or spectator.
- His/her representative.
- Witness(es) to the incident.
- Discipline Sub Committee members.

4.3.2.3 Procedure

- The report of the incident is read to the meeting.
- The player, member, supporter or spectator is invited to make his/her statement.
- Witness(es) to the incident make their statement(s).
- The character witness makes his/her statement.
- Members of the committee may question any of those present about the incident, and/or the player, member, supporter or spectator involved.

The meeting will be adjourned while the Committee decide on what action to take. The meeting is then re convened and the results of the hearing along with any penalties are announced.

4.3.2.4 Penalties

The Club Discipline Sub Committee will have the power to decide upon one or more of the following:

- a. No further punishment additional to the punishment of sending off.
- b. To take no action but to leave the matter to the County Discipline Sub Committee.
- c. That the player (or other, person if the enquiry is into incidents off the field of play) be cautioned or severely cautioned as to his/her future conduct.

- d. A period of suspension from playing, or taking part in the administration of Rugby Union Football (within the Club context only), or both, be imposed on the player, member, supporter or spectator.
Appendix 2 at the end of the Disciplinary Procedures in the RFU Handbook prints a list of recommended sanctions from the IRB. It states the various entry points based on the scale and seriousness of the player's conduct.
- e. Suspend or terminate membership of the club for such period as it thinks fit.
- f. Any other penalties or suspensions as decided by the Sub Committee.

A record of any penalty awarded against any player/supporter/spectator etc, plus the reasons how that decision was arrived at by the Club Discipline Sub Committee will be kept on file for 3 years.

This penalty can be taken into account when deciding any future penalties at any subsequent discipline hearing relating to that member within that 3 year period.

A member/player/supporter/spectator has the right to an appeal process as outlined in section 3.3.5.

4.3.3. YOUTH DISCIPLINE

The Club also has a duty to deal with all Youth Discipline matters. Youth being a player under the age of 18 at the time of the offence, providing the player is playing in an U17 or U18 club match. Any player who has reached their 17th birthday and is playing in either an U19 (Colts) or adult match is classed as an adult and will therefore be dealt with under the procedure outlined in section 1 above.

All players U18 years of age whether playing in age group, colts or adult rugby matches will automatically be suspended from playing, irrespective of the referee being a member of a society or a club referee, until they have appeared before a club Discipline Sub-Committee.

4.3.3.1 Player sent off (Red Cards) by the referee (Society or Club)

In the case of Youth Players the coach or manager of the relevant team MUST report the name, age, DoB, playing position and contact details of the player concerned, the referee's name and society (if any), the opposition and any relevant match details to the relevant Youth Chairman and the Club Secretary within 24 hours of the incident.

This is important as it is mandatory that the Club Secretary has to report the incident in writing to the Kent County Youth Discipline Secretary within 72 hours of the incident.

Referees (Society or Club) who red card a player who has reached 17 years of age (and is playing in an U19 [Colts] match) must send the report to the Discipline Secretary of the County Constituent Body of that players club.

For all incidents involving youth players, playing in club matches at any age group below and including U18, the referee (Society or Club) should send the report form to the Club Secretary and the relevant Youth Chairman within 48 hours of the incident.

All reports should be on the RFU Discipline Report form. Copies of this form for Club referees are available from the Club Secretary.

4.3.3.2 Player Sin Binned (Yellow Card) by a referee (Society or Club)

In the case of Youth Players the coach or manager of the relevant team should report the name of the player sin binned (shown a yellow card) to the relevant Youth Chairman.

A record of players who have been sin binned will be kept by the relevant Chairman. Any player who has been sin binned twice in a season will be asked to appear before the Youth Discipline Sub Committee.

4.3.3.3 Acts of Bad Behaviour by Players, Spectators, Supporters and Visitors

Any member/player who witnesses an act of bad behaviour at any time by any Club Member or visiting supporter/spectator, of whatever age, can report the matter to the relevant Youth Chairman who will consult with the Chairman of the Club and Secretary so the appropriate action can be taken.

4.3.3.4. Acts of Bullying

Bullying of any kind is not acceptable in any form or at any age at Sidcup Rugby Football Club. Any instances will be taken seriously, responded to promptly, and procedures followed to deal with the situation.

Rugby is a 'telling' culture and anyone who knows that bullying is happening is expected to report it to the Club Welfare Officer. He/she will follow the guidelines as outlined in the RFU Anti Bullying Policy.

It is the responsibility of every adult working in rugby union to ensure that everyone, adults and all young people can enjoy the sport in a safe, enjoyable environment.

4.3.4 Youth Discipline Sub Committee

The Youth Discipline Sub Committee will follow the format as in section 2 above however, the age etc of the person will be taken into account in the way the hearing is conducted.

4.3.4.1 The members of the Youth Discipline Sub Committee shall consist of:

The Colts Chairman, the Junior Chairman, the Mini Chairman and one member of the General Committee. For girl players, U13 to U18, the Ladies Chairman will also attend. The Chairman of the Youth Discipline Sub Committee will be the youth representative on the General Committee and one other member will act as secretary.

The youth member should be accompanied by a parent/guardian and can be represented by an adult of his/her choosing.

4.3.4.2 Penalties

The Youth Discipline Sub Committee can impose the same penalties as for a senior player, spectator, member etc as outlined in section 2.4 a, c, d, e and f of this document however, the age and seriousness of the offence must be taken into account when deciding penalties, generally players under the age of 18 are normally suspended for shorter periods than adults.

A list of recommended sanctions for Youth players (Under 18 years of age) are outlined in Appendix 3 at the end of the Disciplinary Procedures section in the RFU Handbook.

A record of the penalty awarded against any youth player/spectator etc (if any), plus the reasons how that decision was arrived at by the Youth Discipline Sub Committee will be kept on file for 3 years. This penalty can be taken into account when deciding any future penalties at any subsequent discipline hearing relating to that member within that 3 year period.

It is the responsibility of the Club to report the circumstances of the offence (together with the referees report if available) and the findings along with any penalties imposed, to the KCRFU Honorary Discipline Secretary. The county Discipline Sub Committee shall confirm or vary the findings of the club's Discipline Sub Committee.

A youth player/supporter/spectator/member has the right to an appeal process as outlined in section 5.

4.3.5 Appeals Procedure

4.3.5.1 Players Reported by a Match Official

Any senior male, female or youth player (who has reached their 17th birthday and were playing in an adult or U19 Colts match when the offence occurred) who has been reported by a match official has the right of appeal against the club's Discipline Sub Committees decision to the club's Appeals Sub Committee.

4.3.5.2 Non Playing Members or Players not reported by a Match Official

All other members, senior or youth or any player dealt with by the club Discipline Sub Committee for an offence not detected by a match official have a right of appeal to the club's Appeals Sub Committee.

4.3.5.3 Appeals Sub Committee

This committee will be made up by the President of the Club plus two members of the club of good character who did not sit on the Discipline Sub Committee.

Any appeal relating to 4.3.5.1 and 4.3.5.2 must be submitted to the Honorary Secretary in writing giving reasons for the appeal within 7 days of the discipline hearing. The appeal will be heard within the following 7 days.

The Appeal Committee may uphold the Discipline Sub Committee judgement, it may increase or decrease the length of any period of suspension or it may annul the judgement.

4.3.6 Costs of Attending a County Discipline Hearing

There is a levy imposed on the Club by the County under County Resolution 3.3 for any player appearing before the County Discipline Committee (senior player or youth

player who has reached their 17th birthday and who was playing in an adult or U19 [Colts] match)

The amount of such levy shall be as determined from time to time by the County Union. However, it is the club's policy that this levy MUST be paid by the individual concerned and therefore the club will invoice the player for the said amount.

Failure to pay the club this levy will result in the player being banned from playing any further matches or use any club facilities until the levy is paid in full. If a player leaves consequent to not paying the levy they will not be entitled to a refund of their annual subscription.

4.4 DUTY OF CARE POLICY

Everyone involved in coaching and or administration of rugby must understand the Duty of Care they have to those in their charge.

It is important that all coaches, team managers and administrators adhere to all RFU rules, directives, regulations as well as all Club's rules, directives and policies

This is especially so when working with children and young people (those under 18 years of age). We must all pay close regard to health and safety issues and carry out necessary risk assessments particularly where there is contact.

The wording of the new Continuum Directive has removed many of the inconsistencies that made it difficult for both Clubs and Constituent Bodies (CBs) to administer mini/midi rugby. Likewise the IRB 'The Laws of the Game of Rugby Union Football, Under 19 Variations' clearly state what is allowed.

It is very important that these directives, rules are strictly adhered to.

In the case of any injury claims all insurers inevitably require evidence that Clubs have been complying with any relevant regulations/directives issued by the governing body of that sport. Also, in this litigious age, should an injury occur, for example, to an U7 player playing competitive contact rugby matches or U14 players lifting in the line out, the referee, coaches and Club could all become liable for claims of negligence.

You must not allow any action, either in training or playing, that is contrary to any RFU rule, directive or regulation or any Club rule, directive or policy relevant to any specific age group(s).

The Continuum Directive makes it clear that CBs now have the power to oversee the administration of mini/midi and youth rugby and that Clubs also now have the power to ensure that their mini and youth sections comply with The Continuum.

CBs have the authority and must oversee the administration of mini/midi and youth rugby and ensure that all affiliated Clubs comply with:

- The Continuum rules & laws.
- Under 19 Law Variations.
- Playing restrictions and child protection guidelines laid down by the RFU.

The Continuum Directive is covered by RFU disciplinary procedures. This means that any Club ignoring the directive may become liable to face action by its CB or the RFU Disciplinary Officer under RFU Rule 5.12.

It is very important therefore that we all follow the RFU rules, directives and regulations as well the Club's rules, regulations and policies. Failure to do so could lead to individuals and the Club being liable for claims of negligence.

4.5 EMERGENCY EVACUATION PROCEDURE

In case of fire, the fire alarm will be sounded and an instruction given to leave the building by the nearest possible exit to an assembly point which is the centre of the Second XV pitch in order not to restrict access to the Fire Service.

Officers of the Club, Club Committee members, bar staff in their absence or any responsible member will assume immediate responsibility and call the fire service if required. See appendix 1 below.

If it is safe to do so, an attempt to extinguish the source of the fire can be made using an appropriate fire extinguisher, e.g. by ensuring that a safe passage to an exit point is available and there is a low risk of suffocation.

An Officer of the Club, a Committee member or any responsible member should, if safe to do so, check that the premises have been evacuated, close doors and proceed to the assembly point to take charge and to liaise with the fire service on their arrival.

Calling the Emergency Services

If the fire service or an ambulance is required a 999 emergency call should be made by a responsible person from the Club telephone, or if unavailable by using a mobile phone. Follow the instructions outlined in the 'Instructions for Calling the Emergency Services' situated by the club telephone, club notice board and in First Aid kits. See next page.

One responsible person should go to the front entrance to direct the fire appliance and or ambulance to the Club.

If an ambulance has been called, another responsible person should direct the ambulance to the casualty as it arrives in the car park.

4.9 INJURY MANAGEMENT POLICY

At Sidcup Rugby Football Club we aim to ensure that the minimum of injuries take place during training/practice session and matches for both our own players and visiting sides.

To further this aim we will:

- Provide properly marked out and safe training and playing areas. This means that pitches have been clearly marked and flags and post protectors are available. All reasonable measures will be taken to make sure that games and training sessions are not undertaken on surfaces that are dangerously hard, uneven or wet due to extreme weather.
- Adequate pre training and playing preparation of all players to ensure their safety.
- The availability of appropriate First Aid kit and associated equipment.
- Training for First Aid personnel.
- The St John's Ambulance Brigade is in attendance every Sunday morning during the season to deal with any injury, accident or emergency situation. They base themselves in the Medical Room and can also be seen around the ground.

In the event of minor injuries in the Mini & Junior sections, i.e. cuts, grazes etc the coach or volunteer who is trained in first aid will treat the injury using the club's first aid medical kit or be dealt with by the St John's medical personnel.

Injuries to senior players are dealt with by either one of the club's two physiotherapists or a first aider.

In the event of more serious injuries to Mini or Junior players, senior rugby players or a spectator/person, an ambulance will be summoned. On arrival ambulance personnel will then assume responsibility for the injured player/spectator/ person.

If a young player, senior player/spectator/person is taken to hospital he/she must be accompanied by a responsible adult.

When the injured player/spectator/person had been dealt with a club accident report form must be completed. If the accident meets the RFU definition of 'serious' then the Club Secretary must be informed and complete the RFU Serious Injury Report Form. It will be the responsibility of the coach/manager of the team to inform the Club Secretary.

For all injuries it is the responsibility of the team coach or manager to ensure that the progress being made by the injured player/person is checked.

A standard first aid kit (see below) will be available to playing teams at all levels of the club for immediate treatment of minor playing injuries.

The club has a medical room where a FIRST AID box is available along with, stretchers blankets and spine board.

FIRST AID box is also available from the bar.

The Medical Room is located in the corridor leading to the changing rooms. This room is always open during training and matches. If locked keys to the doors of the medical room are

4.10 PLAYER RECRUITMENT POLICY

ADULT

It is the policy of Sidcup RFC to actively recruit adult players both male and female of any ability.

Recruitment takes the form of:

- Advertising: Posters, Club web site, local press, local borough's information web sites, presentations etc.
- Links with universities, colleges and higher education establishments.
- Contacting former youth players lost to the game before reaching their 18th birthday and players returning from university collages etc during term breaks and on completion of their studies.

It is not our policy to attempt to poach players from other Clubs. However, players from other Clubs wishing to join us will be welcome to do so at any time during or outside the season.

YOUTH

Sidcup RFC welcomes all youth player male and female (under 18 years of age) of any ability.

It is our policy in recruiting to forge links with local schools, Clubs and organisations promoting youth work in furthering participation in rugby football at Sidcup RFC.

To advertise by poster, Club website, local press, borough information websites and the Bexley Rugby Youth Forum.

It is not our policy to poach players from other rugby Clubs. However, any player from another Club who wishes to join us will be welcome to do so at any time during or outside the season.

We recognise that school children's first allegiance is to their school and we aim to work closely with schools to ensure there is no conflict of interests and that youth players are not over played.

4.11 PROTECTIVE EQUIPMENT POLICY

The Club recognises that the wearing of protective equipment by players of all ages is an individual decision. However, for youth players (those under 18 years of age) the Club strongly recommends that a good well fitted mouth guard is worn along with head guards and shin pads at all training sessions and matches.

The wearing of other types of protective equipment by any player i.e. shoulder pads, forearm protector, mittens etc is a personal preference. Whatever protective equipment is worn it **MUST be IRB** approved (displaying the label of proof) and be the correct size and fitting for the player who is wearing it.

Only aluminium or composite studs bearing the **BSI Kite mark** and of regulation size are legal as are boots with moulded rubber multi-studded soles.

BLADES – We consider bladed style boots not acceptable for rugby at either training or matches and strongly recommend that they are not purchased. Increasing reports of not only terrible lacerations to opponents but also ligament injuries to ankle, knee and hip joints to the wearer make these type of boots unsuitable to wear when involved in rugby.

It is also strongly recommended that each player has his/her own personal water/drinking bottle to avoid risk of cross infection.

It is important that children have adequate clothing to keep warm and dry at both training sessions and matches. A tracksuit or sweatshirt, hat, gloves and a waterproof jacket are recommended.

Saving money by buying illegal, inferior or poor fitting items must be discouraged as this can lead to a false sense of security/safety and could cause unnecessary injury.

4.12 WELFARE AND VULNERABLE PEOPLE POLICY

It is the club's responsibility to ensure the highest possible standard of welfare and protection for all members of the club both adult male and female with particular emphasis on young members who are under 18 years of age, it has within its care when playing and travelling to and from matches, training/practice sessions, tours, and at all times they are in the club's charge.

All adults who work with young people are in a position of trust which has been invested in them by the parents, the sport and the young person. This relationship can be described as one in which the adult is in a position of power and influence by virtue of their position. Sexual activity or inappropriate touching by an adult with a child under the age of 16 years is unlawful, even where there is apparent consent from the child. A consensual sexual relationship between an adult in a position of trust within the rugby setting and a child over 16 years of age is contrary to the RFU/RFUW Policy and Procedures for the Welfare of Young People in Rugby Union and the Welfare of Young People in Rugby Union Guidance. .

Adults must not encourage a physical or emotional dependant relationship to develop between the person in a position of trust and a young person in their care.

All those within the Club have a duty to raise concerns about the behaviour of coaches, officials, volunteers, administrators and professional staff which may be harmful to the children, young people in their care, without prejudice to their own position.

To recognise that abuse does take place in sport and that raising awareness and understanding of the main forms of abuse and establishing communication and reporting procedures if abuse is suspected will further safeguard the children, young players, coaches and all others working within the game.

The club will appoint a Club Safeguarding Officer who will be responsible for all matters of adult and young people's welfare as outlined in this document and the RFU/RFUW Policy & Procedures for the Welfare of Young People in Rugby Union Guidance.

It is widely recognised that there are 4 main areas of abuse that we should all be aware of:
Emotional, Neglect, Physical and Sexual.

These are outlined in more detail in the Welfare of Young People in Rugby Union Guidance, publication.

There may, however, be the risk within rugby union for abuse to occur that does not necessarily fit into the above categories. The culture and traditions of rugby along with stereotypical behaviour, may give rise to unacceptable behaviour leading to situations where abuse may occur and young players are at increased risk.

Safeguarding the welfare of all our young players is paramount. As adult volunteers we have a moral and a legal responsibility to provide the highest possible standard of care.

It is the club's aim that all coaches and volunteers working with young people should:

- Have a Job Description.
- Have a recognised Child Protection Training (CPT) certificate with Lead coaches qualified to the UKCC Level 1 Certificate in Coaching Rugby Union (or equivalent).

- All assistant coaches to have attended a minimum of an RFU TAG, CLA, Start Rugby, Rugby Ready or equivalent course.
- All coaches to stay up-to-date with rugby coaching and child protection/welfare issues.
- Encourage each Lead coach to attend a Safeguarding & Protecting Young People in Rugby course.
- All coaches, managers, volunteers etc to be given a copy of the Club's Policies and Codes of Conduct and be expected to keep to them at all times.

Unacceptable Practices

- Take young people to their own home or any other place where they will be alone with them.
- Spend any amount of time alone with young people away from others.
- Take young people alone on car journeys, however short.
- If it should arise that such are unavoidable they should only take place with the full knowledge and consent of someone in charge in the Club/governing body and/or a person with parental responsibility for the young person. In exceptional circumstances where a coach, Manager or volunteer cannot obtain the consent of the someone in charge in the Club/governing body and/or person with parental responsibility for the young person then if it is in the welfare interest of the young person, paragraph a) and c) do not have to be followed. If this occurs the adult must record the occurrence with the Club Welfare Officer.
- Engage in rough, physical games, sexually provocative games or horseplay with children/young people.
- Take part as a player in any dynamic contact games or training sessions with young people. If there is a need for an adult to facilitate learning within a coaching session through the use of coaching aids e.g. contact pads etc, this should be done with the utmost care and with due regard to the safety of the young players.
- Share a room with a young person unless the individual is the parent/guardian of that young person.
- Engage in any form of inappropriate sexual contact and/or behaviour.
- Allow any form of inappropriate touching.
- Make sexual suggestive remarks to a young person even in fun.
- Use inappropriate language or allow young people to use inappropriate language unchallenged.
- Allow allegations by a young person to go unchallenged, unrecorded or not acted upon.
- Do things of a personal nature for a young person that they can do for themselves unless you have been requested to do so by the parents/carer. It is recognised that some young people will always need help with things such as lace tying, adjustment of TAG belts, fitting head guards and the precluding of anyone attending to an injured /ill young person or rendering first aid.
- Depart the rugby club or agreed rendezvous point until the safe dispersal of all young people is complete.
- Cause an individual to lose self esteem by embarrassing, humiliating or undermining the individual.
- Treat some young people more favourably than others.
- Agree to meet a young person on their own on a one to one basis.

The Following is MANDATORY.

Youth Protection Criminal Records Bureau Accreditation Procedure

All people who have regular supervisory contact with children/young people or in a management role within the club, in what ever capacity, **MUST** be bona fide members of the club, complete and submit all relevant documentation etc to the Club's Safeguarding Officer. Undertake the Enhanced Criminal Record Bureau (CRB) check and the Independent Safeguarding Authority (ISA when introduced) accreditation process within eight weeks of their appointment to a position which involves regular supervisory contact with young people. CRB & ISA disclosures must be conducted through the RFU Safeguarding Compliance Officer at the RFU Equity, Inclusion & Safeguarding Team who have jurisdiction to deal with any matters arising from such disclosure.

If an individual declines or refuses to go through the CRB or ISA accreditation process he/she will not be allowed to be involved in any aspect of work with children, young people or vulnerable adults within the club.

The CRB accreditation is recognised for a maximum period of three years, when the process will be carried out again. The ISA accreditation is only done once.

Following this investigation the following actions can be taken:

- 1.4 For serious and/or unlawful allegations/offences the appropriate authorities are to be informed without delay.
- 2 Any concerns or suspicions of child abuse outside the rugby club environment, report these to the Club's Safeguarding Officer.
3. If an allegation or concern relates to the Club's Safeguarding Officer this should be reported to the Club Chairman who will refer it firstly to the County Safeguarding Manager who will report this to the RFU Safeguarding Executive.

In All Cases.

In each of the above cases except number 1.1 a record of the incident, findings and resultant penalty be kept on the Club file for 5 years.

All the people involved must be kept fully informed of the situation as it progresses.

We are all responsible for the welfare and safety of young people and vulnerable adults in our care. It is important that if abuse or poor practice is suspected or there are suspicions that it may be happening then this must/should be reported to the CLUB SAFEGUARDING OFFICER.

A safe environment benefits all adults, young players and adult volunteers alike.

4.13 TOUR POLICY

The word tour will encompass; tours, rugby tournaments/competitions and festivals and any additional activities included in the trip.

It is the Club's responsibility to ensure that all tours that involve young people under the age of 18 years of age are organised and run well, with particular attention towards A DUTY of CARE and SUPERVISION to these young people at all times. This involves: travel to the destination, travel to training and playing venues, training/practice sessions, matches and at all other times they are in your charge. The Committee will not approve any tour where travel or playing arrangements require school children to be taken out of school.

The following details are what the Club requires for it to give its permission for a tour to precede.

MINI SECTION (U7 to U12)

Mini tours will normally only be permitted to be arranged within the United Kingdom. However, tours outside the UK can be allowed at the discretion of Club's General Committee. Approval for any such tour MUST be obtained before any arrangements are considered. For any tour the aim will be that all age groups will tour together. However, there may be times when this is not possible.

Each child MUST be accompanied by at least one parent/guardian or a responsible nominated adult, with the exception where there are brothers or sisters attending the tour as players. There must always be a ratio of children to adults of 3:1. Parents/guardians or nominated adult will be responsible for the safety, welfare and behaviour of their children at all times other than when playing matches or training, when the coaches will be responsible.

It is a requirement that at least one adult on the tour holds an accredited and current first aid qualification.

All coaches and managers are expected to act responsibly while supervising young people in their care.

JUNIOR SECTION (U13 to U16)

On junior tours the Club will nominate a 'Tour Manager' who will be responsible for the day to day administration of the tour as required/directed by the Club committee. Junior players will be under the care and control of the tour manager, coaches and chaperones. There has to be sufficient responsible coaches and adults (chaperones) recommended ratio of 4:1 to supervise and control the safety and welfare of the players.

These coaches/chaperones must be of sound sensible character, members of Sidcup RFC and must act responsibly when supervising young people. During the evenings on tour it will be a specific requirement that the responsible adults will share the chaperone duties. When required to supervise on any particular evening you are expected to act responsibly and not drink any alcoholic beverage.

It is a requirement that at least one adult on the tour holds an accredited and current first aid qualification.

Junior tours will only be permitted to take place in the United Kingdom and Mainland Europe.

Children that cause a discipline problem or who are disruptive can be returned home. If this occurs then the relevant parent(s)/guardian(s) will be expected to either, come and collect them, or pay any costs incurred by members of the tour party in escorting the young person home.

It is mandatory that all adults involved in a tour for and including players who are under 18 years of age MUST have current accreditation from the Criminal Records Bureau as outlined in the Club's Child Protection Policy.

COLTS (U17 to U19)

On Colts tours the Club will nominate a 'Tour Manager' who will be responsible for the day to day administration of the tour as required/directed by the Club committee.

Colts are considered to be adults (over 18 years of age), however, there must be sufficient coaches and chaperones (recommended ratio of 6:1) available to provide adequate safety, supervision, control and leadership.

These coaches/chaperones must be of sound sensible character, members of Sidcup RFC and must act responsibly when supervising young people. During the evenings on tour it will be a specific requirement that the responsible adults will share the chaperone duties. When required to supervise on any particular evening you are expected to act responsibly and not drink any alcoholic beverage.

It is a requirement that at least one adult on the tour holds an accredited and current first aid qualification.

Any colt player who has not reached his 18th birthday will be classed as a minor and subject to the conditions outlined in the above Junior Section criteria.

Colts can tour in the United Kingdom and Mainland Europe.

ADULTS

The Club will appoint a Tour Manager who will be responsible for the day to day administration of the tour as required/directed by the Club committee. All people taking part in an adult tour are expected to behave in a responsible manner and do nothing that would bring the Club's name into disrepute. All arrangements relating to the tour must be submitted to the Club's Executive Committee for approval. There are no restrictions on where adult tours can take place.

GENERAL REQUIREMENTS

Tours will not be permitted to any country or region where there is apparent unrest or the likelihood of unrest.

When arranging a tour the organisers should consider carefully the costs involved so making it affordable to all those wishing to go.

Procedure for Permission to Tour

Each team or group of teams must firstly submit their application to tour to their relevant section Committee (Mini, Junior/Colts, Girls or Senior) not less than three months prior to the start of the proposed tour on the Club's 'Tour Application' form, completing all details of the travel and accommodation arrangements, costs, fixtures, insurance etc. The Chairman of that section will then submit the application to the Club's General Committee for approval. The Club reserves the right to refuse to give permission to any team or group of teams to tour if it has just cause to do so.

Tours that are to take place outside the United Kingdom and Ireland and have the agreement of the Club's General Committee must also get ratification from both Kent County RFU and written approval from the RFU for the tour to go ahead. Applications are made on the 'RFU Notification of Proposed Overseas Tour' form which is completed by the tour organiser, signed by the Club Honorary Secretary and Chairman, sent to Kent Honorary Secretary who countersigns it and forwards it to the RFU.

Remember that the RFU requires a minimum of not less than three months notice of the tour for it to give its permission. Additionally Managers should be aware that proposed tours to South Africa require a 12 months notice period.

Club Code of Conduct & Child Protection Policy

All tourists, including parents, coaches and chaperones, must sign that they have read and understand the Club's Code of Conducts and abide by the Club's and the RFU's Child Protection Policy. Should any person break that code, or policy, they will be asked to leave the tour and may be dismissed from the Club. Parents will be responsible for any costs incurred in the collection, or repatriation, of their child and all adults asked to leave the tour will be responsible for their own cost of returning home.

Any person asked to leave a tour will not receive a refund on the original cost of that tour.

Accommodation

Accommodation must be suitable in relation to the age of the young people. It must be safe, secure and free of potential hazards.

Under no circumstances should adults (other than parents of young children) share rooms with young people.

Medical Information

Each young person (under the age of 18) must have written authorisation from his/her parent(s)/guardian(s) for the tour organiser or management to give permission for medical treatment including anaesthetics in the event of any emergency situation.

Written details of any medical condition suffered by any young person touring, along with any prescribed medication (giving clear instructions for administering) must be handed to the tour organiser or management prior to the commencement of the tour.

Insurance

Players are covered for playing matches and training while on tour (maximum 31 days) under the RFU's Accidental Death & Permanent Disability Insurance scheme. However, cover is limited to rugby playing risks only. The Club requires that Tour Insurance must be arranged, whatever the destination, to provide 24 hour cover for non-playing accidents, non-playing personal, personal effects and medical expenses (including any repatriation costs following an accident or injury). You are free to get this cover from any insurance company or broker you wish. However, this can be arranged through Royal & Sun Alliance 0845 6780070, the

providers of the RFU Insurance scheme or from John Maxted of How Maxted Group 020 8309 1717, the Club's insurance broker.

If the tour includes any potentially hazardous activities (i.e. canoeing, climbing, abseiling, bungee jumping, archery etc) then the organisers of these specific events must provide written evidence that all activities are undertaken under the control of appropriate qualified staff and they are fully covered by an insurance policy against accident, medical expenses and public liability etc.

Tour Report

Following the tour the Tour/ Team Manager must submit a brief tour report. This is for the benefit of the younger year groups coming through such that successful tours might be repeated and less successful tours avoided. The Report should cover:

- How the tour was organised and who with,
- Method of travel and quality,
- Type of accommodation and quality
- Clubs played, quality of Rugby, reception & facilities
- Cost & any other useful hints.

THIS TOUR POLICY IS BINDING ON ALL CLUB MEMBERS.

NO UNAUTHORISED TOURS WILL BE PERMITTED.

FAILURE TO ADHERE TO THIS POLICY COULD RESULT IN DISMISSAL FROM THE CLUB.

Authorised by SRFC General Committee

4.14 YOUTH RUGBY POLICY

It is our aim at Sidcup RFC that all boys and girls, whatever their age, social, religious or ethnic background, who come to rugby sessions enjoy themselves and develop their individual, unit and team skills through progressive, purposeful, enjoyable and safe activities, with the objective to learn, understand and play the game of Rugby Football to achieve their full potential.

The aim is to teach and develop each boy's or girl's basic skills by:

- Introducing the game in a safe and friendly environment
- Developing the skills of the children, young people progressively according to their ability, using appropriate coaching methods.
- Introducing the Laws of the Game.
- Encourage a good standard of behaviour on and off the field
- Encouraging fair play and good sportsmanship.
- Avoiding overplaying of players by using a squad system.
- Ensuring development comes first, winning second.
- Ensuring all equipment and facilities are safe and appropriate.
- Never coaching law violations.
- Never overtly criticising players – their confidence is paramount

Under 7 to Under 12

All players no matter their age or ability want to participate in some form of competitive game. To cater for this the shape of the game for each successive age group must take into account the ability, attitude and maturity level of the players so that all can participate purposefully. This will take the form of Small Sided Team games. A non-contact form of rugby; Tag Rugby at U7 & U8) and then as children progress and develop their skills they can go on to play Mini Rugby (9 a-side or less at U9 and U10). Midi Rugby (12 a-side or less at U11 and 13 a-side or less at U12).

There are no leagues in Tag or Mini/Midi Rugby.

A number of fixtures and festivals will be arranged against other Clubs by age group, however, there must be a balance between games and practice/teaching sessions. These games are in the main Tag, Mini or Midi Rugby, however, all games whether they be Club training sessions or fixtures/festivals against other Clubs will be played under the rules of the RFU Rugby Continuum. All practice/teaching/training sessions will only be structured as outlined in the rules of the RFU Continuum.

Whether playing games or training the individual player's development and their enjoyment in taking part is the paramount objective, winning is a bonus.

Under 13 to Under 18

At U13 to U18 boys and girls train and compete separately and play the 15 a-side game. Again, the objective is to develop the playing ability of all players through individual skills, unit skills and team play along with an understanding and knowledge of the laws of the game and its traditional values. Matches at all age groups are played against other Clubs, however, all games whether they be within the Club training sessions or fixtures/festivals against other Clubs will be played under the Laws of the Game of Rugby Union, Under 19 Variations. There will, however, always be a balance between games and training/practice sessions.

There are no leagues in Junior Rugby U13-U16.
Colts, U17-U18 do play in County Leagues, National competitions as well as friendly matches.

All practice/teaching/training sessions will only be structured as outlined in the IRB Laws of the Game of Rugby Union Under 19 Variations.

Every player at whatever age level will be treated equally and be given the opportunity to play in competitive matches. However, there may be times when the ability of the individual player and/or the strength of the opposition is taken into account when selecting the side. Whatever the game the individual players' development and their enjoyment in taking part is the paramount objective, winning is a bonus.

The safety and welfare of players **MUST** always be the foremost consideration.

6.2 GUIDANCE NOTES & SELECTION CRITERIA

GENERAL CRITERIA

1. When involved in any Club event, playing, training, tour, visits etc you are its ambassadors and your behaviour at all times represents how the Club is judged. It is very important therefore that you behave and act in a manner that reflects a disciplined attitude, respect for match officials, the opposition, other people, their property and traditions. Bad behaviour will not be tolerated from anybody.
2. Attend training/practice sessions regularly or inform the Team Manager or a Coach prior to missing a session with reasons for not attending.
3. Attend training/practice sessions and matches promptly at the appointed time.
4. Inform the Team Manager or a Coach if you are unable to play as soon as you know you are unavailable.
5. We strongly recommend that you get a well fitted mouth guard which should be brought to every training session and match along with warm and waterproof clothing. Additional protective items (head guards, shoulder pads etc) are at your discretion.

Remember only equipment carrying the IRB mark is legal. Advice on this is available if required.

6. In Rugby only aluminium or composite studs bearing the kite mark and regulation size are legal.

Boots with moulded rubber multi-studded soles are also legal

7. We also strongly recommend that each player has his own personal water/drinking bottle to avoid risk of cross infection.

SPECIFIC SELECTION CRITERIA

1. Have a good discipline record and attitude to both training and matches.
2. Demonstrate to the Coaches' satisfaction your motivation, enthusiasm, concentration and a sustained development of individual, unit and team skills.
3. Maintain match form and fitness.
4. Every player at whatever age group will be treated equally and given the opportunity to play in matches on the basis of the above. However, when the ability and or the experience of an individual player and or the strength of the opposition are taken into account, then this must be considered when selecting the side.

But this must not be used as an excuse just to play the strongest side.

Less experienced players will only develop by playing games.

Whatever the game the players development and their enjoyment in taking part is of paramount importance, winning is a bonus.

Above all the safety, welfare and confidence of players **MUST** always be the foremost consideration.
