

Draft Cumbria CB Women's and Girls Sub-Committee Terms of Reference Proposal 2017/18

Background: Women's and girls' rugby is growing quickly in the County both with general interest in the game, but also as a result of the focus area 2017-2020. This growth creates new challenges including communication, competitions and volunteer development.

Cumbria CB covers all the areas of rugby that are applicable to the women's and girls' game. However as it grows and develops it will be necessary to ensure the inclusion of discussion and decisions which cover girls competitions, and senior and girls county rugby for instance as well as developing the pool of coaches and referees in the county.

Purpose: This sub-committee will help the CB in ensuring the growth of the women's and girls game is effectively integrated into current structures and supported as part of the game of rugby in the county.
