

HUDDERSFIELD RUGBY UNION FOOTBALL CLUB

HUDDERSFIELD RUFC – BACKS/ATTACK COACH

Huddersfield Rugby Union Football Club is a National League 2 side, having won promotion with a 100% win record from National League 3 North in season 2016-17. Based at Lockwood Park, the club boasts some of the best sport and leisure facilities in the region. With an established second and third team, the club has a thriving junior academy and mini & junior section – making HRUFC a highly successful and professionally managed operation. This player pathway is a long term development journey that starts with the U7's and ends with the 1st XV.

The 1st XV has been a great platform for a number of players to progress their careers. England and Northampton Saints centre Luther Burrell progressed through the age grade pathway, Ben Harris is currently playing for Wasps in the Aviva Premiership and Matt Clark is at Doncaster Knights in the Championship. Chris Johnson was instrumental and became the National League top points scorer at Lockwood Park before moving up to National 1 with Fylde and captaining England Counties.

Following a fine season back at National 2 level, the club aims to push forward with the current coaching and management team working hard to retain the majority of the current squad with key additions expected over the coming months. Integral to the club's commitment to team and player development is our coaching capability and we are looking to strengthen in this area with the appointment of a Backs/Attack Coach.
