

## Club Coaches – Girls Rugby

**Baildon RUFC U13's, U15's and U18's GIRLS - COACHING VACANCY for Joint Lead and/or Assistant Coaches.**

Applications are invited for the following unpaid, voluntary positions for the Baildon U13s, U15s & U18s girls teams for the 2018/19 Season.

The girls rugby has grown very quickly at Baildon and the club is now looking for volunteers to further support the current coaching set up.

The roles would suit developing coaches, who are willing to work with experienced UKCC Level 2 coaches in each age grade or experienced coaches who would like to experience the challenges of the female game.

The teams currently train on Thursday evenings with matches/training on Sunday. The club will support successful applicants with their continuous personal development plans leading to further coaching education and qualifications to help support and grow the girls game at Baildon RUFC.

In the first instance contact, Andy Pollard, Director of Rugby, Baildon RUFC
