ANNUAL REPORT 2010-11

Devon Presidents Report 2010 /11

I thank the Devon RFU Ltd Committee for supporting me in my first year as County President of which has had its ups and downs! It has been an honour and privilege to work with like minded Volunteers for the support of clubs. I thank the Sub Committees, Chairman and Secretaries of the various Committees for the hours of work put in .my administration staff for the financial, RFU and Club matters.

The County has seen from the RFU of last season in the way it will be funded going forward, and has seen a significant amount of work being passed down to the County Committee to achieve this end !!, I point out to clubs County members are elected volunteers representing clubs !! And not paid servants of the RFU!! .

I would like to thank the steering Committee under Mo Jackson and Rob Palmer for putting together the Report known as the Planning, Founding & Reporting document this will be Devon's working Action Plan, of which clubs have had the opportunity to see and respond to with feed back on the special events held around the county. As President I have an obligation to all clubs in Devon for funding from the RFU, and made the PFR document available for clubs to see making the document transparent to all clubs, from the attendance of clubs and their feed back this has been achieved. Clubs seeking funding for a specific project must be working towards the Junior Seal of Approval or whole Club Seal of Approval. The Seal shows on achievement that the club is well organized and well run. It will be a requirement for future RFU club funding.

I travelled around the County and visited many clubs as my ongoing theme of office and was made most welcome with much support for the County RFU, many topics were discussed! Not all rugby! I thank all the clubs who participated in County Senior, Intermediate and Junior Cups, and congratulations to the winners.

I thank those clubs who supported the County Championship and released players, both for the U20 and Senior XV's.

Also I thank the School of Rugby Management Team and the Schools County Squad Management Team along with the under17/18 group including Woman's Rugby Squads and Management.

Last but not least of my thanks are to the Devon and Plymouth Referees Societies of which we are indebted, I thank you all for the time you put to the game.

I wish all clubs in the County the very best for the 2011-12 season.

Maxwell Turner - President Devon RFU Ltd.

Hon. Treasurers Report - Extract from the report given to the Financial A.G.M. in October 2010.

A splendid surplus of £36 after the Revenue extracted £419 of our net surplus of £455.! Summary of income shows a reduction of £13,731 from the previous year but actually 2009/10 is approx. £7,000 higher than 2 years ago so don't read too much into the figures e.g. Toolkit Funding was £5,000 lower than in 2008/09.

It has to be appreciated that RFU support will continue to flatten or even fall; that the interest on our term deposits will remain low for another 12 months or so; that gate monies will be poorish whilst we do not play Cornwall in the championship and we were more generous than before in our financial support for the Schools Rugby after the RFU support reduced by £1,700.

Expenditure – The U17/18 Development teams cost a total of £6,290 and only £1,650 was financed by the RFU – so we dipped into the Stipend & Conditional RFU income – not ideal but these are the decisions we have to make annually. New RDP Chairman, Rob Palmer, is looking at cutbacks.

Similarly the expenditure on the Senior team – is £23,275 reasonable ? Apart from Vospers sponsorship of £2,000 we have to finance the team mainly from the RFU monies. The Playing Committee are considering “reductions”.

Office costs remained stable and although committee costs seem large increasing by 28%, quite reasonably there are more claims from committee members and there were more meetings than in the previous financial period. We could trim the subsistence buffet to a ham sandwich and cup of tea but is that fair to a county committee who give up considerable time to help run a successful CB ?

Competitions expenditure was expected to be higher but will probably reduce back to approx. £2,000/£2,500 again this year.

School of Rugby £4,826 – will be higher this year as costs last year were under budget. Grants to Schools Rugby, which is basically the costs of kit not paid for by the DSRU, will be less. The £1k paid out for Volunteer/Recruitment is including a supportive sum towards referees kit. Overall the total expenditure was approx. £400 lower than the previous year

The Union’s Accumulated Fund in the Balance Sheet still stands at £180k which includes the Referees Fund of £33,781. Over the last 7 years the Union’s funds have been boosted by VAT refunds and various sponsorship funds so when I hear threats from the RFU about reclaiming funds from CB’s who are not using them I am considerably displeased. Hard days are ahead; the Government will prune their financial backing so if the Devon RFU wish to continue its support to the various sectors in the county we shall have to use the Reserves..

I conclude by thanking County colleagues for their support and to club treasurers who are not finding life too easy !

Ken Jeffery, Hon. Treasurer.

Rugby Development Partnership - Chairmans Report 2010 -11 Role of the Rugby Development Partnership

The role of the Rugby Development Partnership (RDP) is to plan, arrange funding and coordinate the delivery of all aspects of rugby development within the county of Devon. The Devon RDP is funded in part by the RFU with the Devon RFU providing additional funding. Each area is subject to a funded budget and performance reviews.

Coaching;

There is now a Coaching Sub-Committee up and running for Devon. This oversees the planning and delivery of coaching matters in the county. It is chaired by Chris Perkins. A coaching development pathway is now being introduced. The concept is that club coaches who wish to move into representative coaching will firstly become involved in coaching one of the four District teams at either Under 13’s or Under 14’s age grades. They may then progress onto coaching the Under 15’s or 16’s county teams in conjunction with the Devon Rugby Football Schools Union, the Girls county Under 15’s or 18’s squads, and then onto Under 18’s or Senior Mens or Ladies XV.

Next season, the drive is for the Club Coaching Coordinator’s (CCC’s), to produce their own club Coaching Development Plans and for the Devon RFU and the RFU employees support them to achieve the plan. A priority is to ensure the RFU recruits a new Community Rugby Coach (CRC) for south and west Devon, to support the excellent work that is currently undertaken by the CRC for north and east Devon. A coaching bursary was introduced this season, and will be continued into next season.

This is being funded by the Devon RFU from its reserves. To qualify the club applying must have:

- A current Coaching Development Plan;
- A lack of coaches qualified to RFU Level 1 or 2 for the Under 15's, 16's, Colts or Senior XV's teams in that club;
- No head coach currently qualified to Level 2 for the relevant squad;
- No more than two Level 1 coaches currently for the relevant squad;
- An objective need for funding support from the Devon RFU.

If approved, the Devon RFU will fund 50% of the cost of a Level 1 or Level 2 course for nominated individuals. The Devon RFU will pay the 50% of the cost of the course on the successful completion of that course. Bids for the bursary will be decided by the Coaching Sub-Committee and overseen by the Rugby Development Partnership.

The Devon RFU is also intending to hold District Coaching Seminars (subject to demand) in each of the four Districts in the county, and a Devon RFU Coaching Seminar supported by Exeter Chiefs RFC.

Referees

The RDP works with the Devon Rugby Referees Society and Plymouth Rugby Referees Society to recruit, retain and develop referees. This includes referees that are members of either society, or club referees. This season, the courses run by the RFU are:

Venue	Course	Delegates
Withcombe RFC	Mini Midi	9
Exeter Saracens RFC	Mini Midi	10 (5)
West Buckland	ELRA	7
Tiverton RFC	ELRA	18 (11)
Kingsbridge RFC	ELRA	15 (12)
Brixham RFC	ELRA	15 (5)
Newton Abbot RFC	ELRA	12 (2)
Tavistock RFC	ELRA	(3)
Exmouth RFC	ELRA	8 (2)
Devonport Service	ELRA	8
Clyst Vale CC	ELRA	15 (15)
Total =	8 x ELRA	106 (50)
	2 x Mini-MidiMM	19 (5)

(Figures in brackets in red indicate students). The referee's societies run development evenings, and run mentoring schemes for young referees. They also attend coaching seminars to improve understanding of the rules and their interpretation. My thanks to Simon Lane and Steve Harland from the Referee's Society for their work supporting referee development this season.

School of Rugby

The Devon CB School of Rugby (SoR) has now been running for four years. It is funded by the RFU to their curriculum and the Devon RFU is assessed against the standards required. It caters for players from Under 13's to Under 16's who show the potential to become Elite rugby players.

This season, players graduated from the SoR having achieved significant results in terms of their personal performance and representation in county, divisional or national rugby. Several players are moving onto the Exeter Chiefs Academy, with others progressing to schools or colleges in the South West. The effect of the SoR can be seen in the standard of junior rugby in the county. The gratitude of the CB goes to the SoR Manager, Rob Taverner, and to all the coaches who give up their time in the name of player development.

Player Development Under 13's and 14's

The Devon CB run a Under 13's and 14's programme within the four districts across the county. The aim is for each district to run at least six sessions to introduce players to the first level of representative rugby. This then culminates in a festival, where each district plays each other. This season an Under 13's district festival and Under 14's District Festival were again held, and were used to assess individual player development. Charlie Guppy was appointed this season as the Player Development Pathway Manager to oversee the player development in these age groups.

Player Development Under 15's and 16's

These age groups are run by the Devon Rugby Football Schools Union on behalf of the Constituent body. At Under 15's age grade, a new coaching and management team took over this season. The existing Under 16's team of coaches and management continued into this season. Both teams proved again the strength in depth in these age groups across Devon. The Devon RFU is grateful to Jeff Hughes President of the DRFSU and all the other people who participate in some way managing and running the two county squads, they are all volunteers. They are well regarded within the South West and the quality of the players they produce continues to improve year on year.

Player Development Under 17's and 18's

This is an important age group that bridges the move into adult rugby for the players within the Aspirational Pathway. The manager for these age groups is Rob Curtis, with Paul Setter as Lead Coach. The success of these teams is shown by the fact that about one-hundred players attended the Under 17's trials at Topsham RFC.

This age group has seen a 9% increase in reported players this season, meaning that Colts Rugby in Devon is strong. This was reflected both in the number and quality of players coming forward for representative squad selection.

Womens and Girls

This season has seen consolidation in the women's and girl's games, although the growth in numbers and teams appears to have stalled. The Devon RFU continue to run a County Senior Ladies team, and an Under 18's and Under 15's County squads. My thanks goes to Denise Hodge for overseeing the Women and Girls development in the county, and to Dave Crawford who coached and ran the Devon Senior Ladies squad.

Mini and Junior

The Age Grade groups in Devon are overseen by the Mini and Junior Sub-Committee of the Rugby Development Partnership. The two Under 16's leagues are run on behalf of the Devon RFU, and there are Cup and Plate competitions for Under 13's to Under 16's, as well as Festivals for all age groups from Under 7's upwards.

The number of mini and junior players across Devon is declining slowly, and the focus must remain on the Five Core Principles and the quality of the rugby experience for all mini and youth players. By the time they reach Under 16's, boys could have been playing rugby union for some ten years. The progression of players of all skills and abilities from Under 16's through Colts to adult rugby remains a priority for the Devon RFU.

My thanks to Paul Setter, Chairman of the Mini and Junior Sub-Committee, to Terry Friend who administers the Exeter University Under 16's league, and the Cup and Plate Competitions; and to Chris Forster and Graham Emond who run the Fishermans Cup Under 16's league. Lastly, my sincere praise goes to the large number of volunteers who give their time to ensure mini and junior rugby continues to develop in Devon.

Rob PALMER - Chair, Devon RFU Rugby Development Partnership

Governance Sub-Committee Report

Safeguarding

Elaine Palmer took over the position of the County Safeguarding officer early in the season and has continued the good work of previous seasons to ensure the safe environment for all the children.

Several cases were dealt with the help of the RFU – these were mainly to deal with coaches showering with their teams. It would help if all clubs would reiterate that this is unacceptable and must not happen at any time.

Web Site

Sarah Veacock has taken over as the 'Webmaster' and is in the process of updating the information contained on it. However this process is dependent on people sending her the information necessary.

All contributions from clubs, organisers etc are welcome and required on a regular basis to keep the site up to date.

Competitions

This has been a particularly difficult year for the Competitions Sub-Committee which has had to deal with issues involving every competition from Under 15 knock out cup to the Senior Cup, the Devon Merit Table and Colts Cups.

Many of the problems were brought about by the weather which caused a number of league fixtures to be rescheduled and the knock on effect being that many of the Cup dates were lost to league games.

As a committee, we have always tried to be fair to all but inevitably when required to adjudicate we know that it is unlikely that all parties will be happy with the outcome. Whilst the weather may be blamed for many of the difficulties that have been faced, it is also fair to say that in many instances there has been a general lack of cooperation between clubs and it is clubs who must share some of the burden of responsibility to ensure that competitions run smoothly.

The Senior Cup itself ran well enough although there was disagreement on setting the date for the final itself. Fortunately, both sides accepted the decision of the sub-committee and got on with it. The real issues surrounded the Plate and Vase and it seems to be widely accepted that these are games that clubs simply do not want.

The Intermediate Cup began badly with three of the four 1st Rd games ending as walkovers and thus rendering the Vase Competition valueless as only one team qualified. The dates for the Cup Final and Plate Final were also resolved without much fuss.

The junior Cup went almost without a hitch and the participating clubs should be congratulated on their efforts in supporting the Cup, Plate and Vase.

As regards the Devon Merit Tables, firstly tribute must be paid to Geoff Bulley who has been the Administrator since they began in 1992-93 season. Geoff has been the instigator of the many improvements that have been made during that time, but as those of us will be aware from his regular emails updates, the past two years have again seen a downturn in cooperation between clubs. This has ultimately led to his decision to resign and in this instance the only losers will be the clubs themselves especially if a successor is not found.

In the Colts Merit Tables, Devondale Electrical Distributors completed the third year of the three year arrangement to sponsor the competition. On behalf of all the participating Clubs, I would like to extend thanks to Devondale for their valued support over the past three years. The difficulties always crop up at the 'business end' of the season and in fairness a very high percentage of the problems stem from a lack of understanding of the regulations due in many instances to the fact that people do not read them in the first place. In any competition, the administrators' role is simply that – to administrate. Acting as nursemaid does not come into it. Nonetheless, lessons have been learned and I am sure we can look forward to a trouble free

competition in 2011-12.

The forthcoming season will see changes to all competitions and if there was such a thing as a 'wish list' then the first item on it would be that club administrators/coaches read and understand the regulations of the competitions that they enter.

Discipline

This can not be said to have been a good season for discipline as the number of cases rose by 50% in Devon to 79 red cards. This is in addition to the 23 cases sent to other CBs to deal with plus the 8 Junior cases.

The worrying increases come in 'referee abuse' cases and those that involve Colts players – one weekend we had 2 abandoned games and 6 red cards all involving Colts matches. Other cases involved an U13 & U14 player (stamping on the same weekend), coaches reported for abuse and numerous red cards for players joining in when not involved in the original fracas.

The time has come when clubs must take far more responsibility for the behaviour of their players and coaches! – why do they pick their known problem players? The cost of receiving a red card will be rising to £30 from next season.

Terry Friend - Chairman Governance Sub-Committee

Playing Sub-Committee

Devon U20.

We started training in November, initially with, in excess of 50 players. By the end of November, the coaches had established a squad of 27 players.

Warm up games were played in January against Exeter University at Topsham, and Dorset and Wilts at Dorchester.

The U20 County Championship started with our first game against Gloucestershire at Barnstaple, which we lost. The next game was against Cornwall at Ivybridge, which we won, we also beat Somerset at Wellington.

Gloucestershire, went on to win the County Championship, and they acknowledged that the hardest game they had had all season was against Devon.

Senior XV

This season, a President's XV team went to Okehampton RFC for an anniversary game, where players, officials, and spectators all had an enjoyable day.

The Tamar Cup game was played at Brixham, and Devon retain the cup for another season. Thanks go to Brixham for an enjoyable day.

In the County Championship, two matches were played, one in North Midlands which we lost, the other at Tiverton, which was a draw. It was the youngest team put out by the County for many years, and thanks go to Cullompton RFC, Brixham RFC, Newton Abbot RFC, Paignton RFC, Exmouth RFC, Ivybridge RFC, Sidmouth RFC, Barnstaple RFC, for releasing their players.

The dedication of our coaches, Dave Kimberley, Jason Luff, and Keith Brooking, was superb throughout the season, as was the work done by our Match Secretary Maureen Jackson, and Team Secretary Gareth Jones.

Terry Brown, Chairman of Playing

NOTES TO CLUBS

1. **International Tickets.** Clubs receive a fixed allocation based on information posted on RugbyFirst. Clubs are responsible for maintaining the accuracy of this data which is subject to verification by Devon RFU Ltd.
2. **Facilities & Funding.** Clubs seeking finance to improve clubhouses, grounds etc., should contact Devon RFU Ltd. for advice in the first instance. Access to RFU funding is accessed and allocated as part of the County's strategic plan. Advice on alternative sources of funding is also available.
3. **Club Accounts.** Club Treasurers are reminded that, in order to comply with Rules of The RFU, a properly audited Club balance sheet with statement of accounts showing income and expenditure for the previous season should be sent to the County Hon. Treasurer before September 30th each year.
4. **Devon R.F.U. Ltd., Affiliation Fee.** Clubs and Schools are reminded that this falls due on September 1st and should be paid by September 30th. Fees are as follows; Clubs running one senior team - £25, Clubs running two senior teams - £30 and Clubs running three or more senior teams - £35. Cheques should be made payable to the Devon R.F.U. Ltd
5. **Insurance.** The RFU provides Death and disability cover to member clubs on the basis of information posted on RugbyFirst. Clubs must maintain accurate details of the number of teams they have
6. **Use of Facilities.** Clubs should not permit their facilities to be used for rugby activity by other organisations unless they have seen proof that the appropriate RFU Insurance is in place.
7. **Discipline.** Club Secretaries are reminded that, if a player is sent off or a game is abandoned, details must be reported immediately to the Discipline Secretary. Subsequent statements and reports should be gathered promptly and returned with a remittance of £25.00 to cover administrative costs. It must be made clear to the players concerned by the Club Secretary, that they have the right to appear before the Discipline Sub-Committee with supporting witnesses and at their own expense if they so choose. Clubs are also reminded that it is a requirement to have their own Discipline Sub-Committees to take action as and when necessary.
8. **Club Tours.** Clubs or Schools planning overseas tours must apply for permission to the County Hon. Secretary *at least three months in advance* of the proposed date of departure. Permission must likewise be sought to receive an incoming tour from abroad. Application forms available from the County Hon. Secretary.
9. **Handbooks.** Payment for these must be made promptly upon receipt of an invoice. Any corrections amendments or additions to information published in the Devon R.F.U. Handbook together with any items for inclusion in the Devon R.F.U. Newsletters should be sent direct to the County Hon. Secretary.
10. **Non-affiliated Clubs.** The County Committee recommends to all Clubs that they must not play teams that are not affiliated to the Devon Rugby Football Union or other Constituent Bodies. The Devon Rugby Referees Society will not be able to provide match officials for such games. As a guideline, any Devon based Club which does not have an entry in the fixtures section of the Handbook can be regarded as not being affiliated to the County. If in doubt, please contact the County Hon. Secretary.

NOTES FOR GUIDANCE ON DISCIPLINARY MATTERS

Discipline matters will be conducted in compliance with the revised procedures which were issued to Clubs shortly before their implementation in 1996. Please refer to the current Rugby Football Union handbook for precise details. Clubs are reminded that they should have their own Discipline Sub-Committee to deal with all discipline matters but especially in cases involving players under 17 years of age at the time of the offence as those cases will initially be referred to Clubs by the County. For older players, any action taken by a Club will be taken into account by the Devon RFU Discipline Sub-Committee when deciding upon a penalty. Club Secretaries **MUST REPORT WITHIN 48 HOURS** of the match to the Secretary of the Discipline Sub-Committee, details of any player sent off which must include name and address. This also applies to players under the age of 17.

Please note that where a player wishes to contest the referees report, he may be called upon to pay their expenses to attend any hearing. Paperwork relating to any hearing must be returned promptly, accompanied by the administration fee of £30.00 (cheques made payable to the Devon RFU Ltd). In the case of a citing, different procedures apply and Clubs must send a cheque for £100.00 with their notice of citing.

Clubs must ensure that any suspension is observed, as failure to do so will result in severe sanctions. Please ensure that you obtain details of a players discipline record before he joins your Club. Please ensure every playing member of your Club is aware of his responsibility to himself, his Club and his opponent. **DO NOT SELECT PLAYERS** who are frequently or persistently involved in acts of foul play, whether these players are sent off or not! Finally, make sure your players are aware of the 5 point plan below and remind them of it regularly during the season.

The 5 point plan for players – HOW NOT TO GET SENT OFF

1. **DON'T DO IT.** Whatever the reason, don't do it. Keep your hands in your pockets, your feet planted on the ground, your temper and your tongue firmly under control. That way you will never be sent off.
2. Be especially cautious during the second half of a match and particularly in the last quarter. Statistics show that most players are sent off at these stages of a game.
3. Most players are sent off during a 1st XV match. 1st XV players beware!
4. If a referee has given a general warning, be careful. A significant proportion of sending off occur after a general warning has been given – sometimes for relatively minor offences.
5. **NEVER** retaliate. The overwhelming majority of players sent off claim provocation and state that they were retaliating to an act of violence committed against them. Remember the referee often will not, and indeed on occasions, cannot see the first offence but almost always will see the second. Retaliation is no defence.

THE DISCIPLINARY POINTS SYSTEM

Under powers delegated to the County Union by The Rugby Football Union, it is our duty to ensure that Clubs which have a poor discipline record are helped to solve the problem or, failing that, are themselves punished. To this end we operate a points system that acts as an early warning for Clubs which have a poor or worsening record. The system is simple. For each Club member disciplined the Club itself is penalised a number of points depending upon the seniority of the team involved, nature of the offence and length of any suspension. Points are awarded as follows;

POINTS BY CATEGORY

Outcome of hearing/Nature of offence	A	B	C
No further action	2	1	0
Caution	5	4	2
Suspension up to 59 days	10	8	4
Suspension of 60-119 days	15	12	6
Suspension of 120 days or more	20	16	8

Categories

- A) members of the 1st XV of any Club
- B) members of any other adult XV or Under 19
- C) Under 18/Under 17 teams or younger

Abandoned matches are always viewed as matters of utmost concern. Clubs will be interviewed by the Discipline Sub-Committee and penalties imposed as deemed appropriate. Any points awarded will count for the season in which they are incurred. However, in the event of a Club being called before the County Committee, the Club's discipline record over the previous five years may be examined. Action against Clubs in any season will be triggered as follows;

40 Points; The Club will automatically be advised in writing that their disciplinary record is giving cause for concern and a number of actions may be suggested for the Club to improve the situation. Warning letters may be sent to Clubs before this point is reached, if deemed necessary.

50 Points; The Club will be summoned before a special disciplinary hearing convened by the President of the Union according to Rugby Football Union guidelines. At this meeting the Committee does have the power to impose penalties up to and including the suspension of the entire Club from playing.

THE SOUTH WESTERN DIVISION RUGBY FOOTBALL UNION MUTUAL BENEFIT FUND

The fund, founded by the late Tom Lean of Plymouth in 1920 is administered by officials from Cornwall, Devon, Gloucestershire and Somerset, to provide financial assistance to players, officials and referees, or in the case of death, where there is hardship, to relatives of same. The assistance given over the years has been considerable, but due to the development of the game on a more physical basis, the number of injuries is not only increasing but is becoming more serious and the question of insurance cover is a matter which should be looked into.

There are still a number of Clubs in the South West who have apparently overlooked the important factor of making sure their players are adequately covered against injury and the attention of every Club is therefore drawn to the advantages to be obtained from taking up membership of the South West Mutual Benefit Fund, particularly in view of the fact that two significant changes have been made, viz;

- 1 The insurance taken up with the Fund for Loss of Earnings Benefit will now cover up to £50 PER DAY. (*All claims are based on a six day week*)

Other points are;

- 1 Maximum period of Benefit is 156 days, although this can be increased in special circumstances at the Committee's discretion.
- 2 In addition to LOSS OF EARNINGS BENEFIT, cover also includes PHYSIOTHERAPY & DENTAL TREATMENT not available under the DHSS.
- 3 You will see the Fund was founded in 1920 under the aegis of The South West Constituent Bodies for rugby people. Full details can be obtained from;

*R.J. Farthing Esq., Hon. Secretary, South West Mutual Benefit Fund, 49a, Bridge St., Taunton, TA1 1TP
Tel: 01823 331335 (Office) - 01823 271576 (Home)*

WARNING; An upsurge in the number of casual games such as Pub XV's has been reported. Club officials would be well advised to inform their players that they are unlikely to be covered for any form of insurance when playing in such games not on a Club's normal fixture list.

IMPORTANT NOTICES

Death from heart failure or collapse does not come within the cover afforded by the Rules of the Fund.

If claims are not notified in accordance with the Rules and the correct information given, then a claim might be rejected.

PLAYING AND TRAINING SEASON

The season covered by the fund is from 1st August each year until the termination of the official RFU playing season (including that time allowed for the playing of sevens).

NOTES FOR GUIDANCE OF CLUBS RE; PRACTICE MATCHES

Your attention is drawn to the following:

- 1 Rule 8 Clause C
Claims for compensation shall be paid only for accidents to players occurring on the field of play during the progress of a bona fide match or practice game.

NOTE: Bona fide matches and practice matches must either appear on the Club fixture list or official notification must have been sent to the Hon. Sec of the Fund. Ordinary Club 'kickabouts' or practice sessions which do not comply with these conditions are **NOT** covered

CLAIMS PROCEDURE

- 1 Immediately a player is injured on the field of play his Club Secretary must be informed and a first notification that a claim may develop must be sent to the Hon. Secretary of the Fund
- 2 **WITHIN TWENTY-ONE DAYS** of the injury, the claim form must be completed as required and forwarded with the relevant documents requested to the Hon. Secretary of the Fund.
- 3 Nett weekly wage is the actual amount received by the player after all statutory deductions such as NIS and Income Tax have been deducted and it is essential that copies or proof of wages is sent.
- 4 As soon as the player has been declared fit to resume his occupation, a final medical certificate should be sent to the Hon. Secretary of the Fund, when the benefit due will be paid providing everything is in order.
- 5 It is primarily the responsibility of the player and his captain to ensure the official dealing with the insurance is notified without undue delay of any injury to a player.

THIS IS YOUR FUND FOR YOUR BENEFIT AND CAN ONLY SUCCEED WITH YOUR COOPERATION

- c) Team which has scored the most converted tries in the match;

If all are equal, the Trophy shall be shared.

6. REFEREES

6.1 Matches played in the Devon Colts Merit Table will be officiated by suitably qualified referee appointed by the Devon Rugby Referees Society or Plymouth Rugby Referees Society.

6.2 If the Devon Rugby Referees Society or Plymouth Rugby Referees Society notifies a home club that no society referee is available, the club can make application to the competition organiser for a referee to be appointed the following order:

6.3 Each team should provide one competent person to act as touch judge acting under the jurisdiction of the referee. Unless they are appointed as Assistant Referees, touch judges cannot signal offences or foul play, but may be consulted by the referee in appropriate circumstances.

7 ADMINISTRATION OF COMPETITIONS

7.1 It is the responsibility of the Coach/manager for each team entered into the Devon Colts Merit Table to comply with the administrative arrangements stipulated by the competition administrator.

7.2 It is the responsibility of the home team to provide the match result card for both teams and which must be completed and handed to the referee no later than 30 minutes prior to the kick off. This will contain the names and RFU registration numbers of the players in the squad for that match. The first names and surnames used must be those under which the player is registered with the RFU.

7.3 Each coach or team manager must ensure they have RFU registration cards, containing a recent picture of the player, for each player shown on the team sheet. These registration cards must be made available to the opposition to verify the eligibility of players.

7.4 Once the two coaches or team managers are both satisfied as to the eligibility of all the players, the team sheets will be handed to the referee.

7.5 At the conclusion of the match, or as soon as possible afterwards, the referee will enter the final score and sign the match result card. It is the responsibility of the home side to post the card to the Administrator to arrive no later than the Wednesday after the game.

7.6 It is also the responsibility of the home side to either text or email the result of the match to the administrator at the latest by the Sunday evening following the game.

8. UNPLAYED MATCHES

8.1 Coaches must endeavour to play the fixtures on the dates shown in the Devon RFU Official Handbook.

8.2 If a match has to be cancelled due to weather and pitch conditions, the visiting team will be notified as soon as that decision is made. The competition administrator will be notified by phone, text or email by the

- home team within 24 hours of the decision to cancel the match.
- 8.3 The administrator will inform both clubs on the date for which the game will be rescheduled – which will be the first available weekend when neither side has a merit table or cup match. 8.4 Merit table fixtures take precedence over friendly matches.
- 8.5 Double-header matches will not be permitted.
- 8.6 Matches will not be postponed due to county commitments, the unavailability of a front row, or other issues to do with squad availability. If a team fails to fulfill an obligation to play a match, the competition administrator must be notified by phone or email within forty-eight hours of the event. The team that is deemed to be responsible for the match being unplayed will lose the game 7– 0 and will be DEDUCTED FOUR points. The non-offending side will receive 4 points. Withdrawing from a Merit Table fixture in order to compete in the National U19 knock out cup fixture will be regarded as a failure to fulfill a fixture obligation and will be treated as such. It is the responsibility of Club Fixture Secretaries to ensure that they do not arrange merit table fixtures on designated knock out cup days.
- 8.7 Any club which fails to fulfill 25% of its scheduled fixtures at any stage during the season will be removed from the competition and all records expunged.

9. OTHER ISSUES

- 9.1 Any team which is proved to have fielded an ineligible player, whether by reason of being over or under the correct age, or because they are not registered, will be deducted four league points for each player involved.
- 9.2 Coaches are responsible for their own behaviour, and that of the parents, guardians and supporters of their team. The standard of behaviour expected is that laid out in the RFU Codes of Conduct. Where the conduct of an individual or group of people falls below that standard, that individual or group may be liable for sanctions to be imposed by the Devon RFU.

10. APPEALS

- 10.1 A team may appeal regarding the decision of the league administrator in relation to the administration of that league.
- 10.2 An appeal must be made in writing, by the Chairman or Secretary of the RFC to the Secretary of the Devon RFU Competitions Sub-Committee.
- 10.3 Appeals will not be accepted by the Devon RFU Competitions Sub-Committee from coaches, parents or guardians of players.
- 10.4 An appeal must be made within seventy-two hours of the event about which the appeal is being made.
- 10.5 The Secretary of the Devon RFU Competitions Sub-Committee will arrange for the appeal to be heard in accordance with the procedures of the sub-committee. Members of the Devon RFU who have a conflict of interest for any reason will declare such and not be involved in the appeal hearing.
- 10.6 The parties will be informed in writing by the Secretary of the Devon RFU Competitions Sub-Committee once the hearing has been completed.

11. INTERPRETATION OF RULES

Where not covered separately the rules of the Devon Senior Cup will apply, including financial arrangements.

12. ALTERATIONS TO THE RULES

The Devon RFU Sub-Committee will review these rules annually.

DEVON MERIT TABLES - REGULATIONS AND STRUCTURE

1. The competition shall be known as the Devon Merit Tables with the relevant level attached to each Table and shall be subject to the direction and control of the Devon Rugby Football Union acting through the Table Administrators and Devon R.F.U. Competitions sub-committee. Failure to comply with the regulations will lead to the application of penalties, including the deduction of Merit Table points.
2. The Devon R.F.U. Competitions sub-committee, including at least three members from participating Clubs, shall meet as required to review the regulations and structure and allocate teams to Tables as deemed appropriate.
3. Any dispute shall be referred within seven days of a scheduled match to the Table Administrator who will be responsible for a decision on the matter. Should the dispute involve the Table Administrator's Club, the matter will immediately be passed to another administrator who has no such connection. Any appeal against such decision must be lodged within seven days of notification together with an administrative fee of £30 (payable to Devon RFU Ltd) with the Devon R.F.U. Competitions sub-committee whose decision shall be final.
4. Participation in the Devon Merit Tables shall be open to the second or lower teams of any Devon Club which plays in the English Clubs Championship at level 5 and below. Teams from the same Club may not compete in the same Merit Table. The home team should arrange the appointment of a referee by its usual Referees Society. Application to leave or join the Devon Merit Tables must be received by May 31st. prior to the season in question.
5. Fixtures must be arranged home and away with all other teams participating in the relevant Merit Table on specified league Saturdays in the R.F.U. structured season, avoiding early season, Christmas and Easter where possible to avoid player availability problems. When other dates are required for postponed matches etc., such dates must be approved in advance by the Table Administrator. Fixture lists highlighting the Devon Merit Table games must be sent to the table administrator and Devon RFU handbook editor by June 30th each year together with the name and contact details of the Club's merit table official.
6. Both teams must report the result of all scheduled matches, by phone or e-mail, to reach the Table Administrator by the Tuesday following the match. Failure to do so will result in the loss of one competition point. Positions in the Merit Table shall be established by awarding three points for a win, two points for a draw and one point for a loss in all scheduled matches. In the case of equality, positions shall be determined by the difference of match points for in relation to match points against. Should this still be equal, the highest number of match points for shall count.
7. The top team in Table 2 shall be promoted to Table 1 with the bottom team in Table 1 being relegated to table 2. The teams winning Tables 3 N/E and 3 S/W shall be promoted to Table 2 with the bottom two teams in Table 2 being relegated to Tables 3 N/E or 3 S/W as appropriate. Where the promotion of a team would contravene regulation 4 above, the next team in the final Table shall be promoted instead. Where the relegation of a team would contravene regulation 4 above, the relegation shall take place and the relevant Club's lower team shall be moved to another Table at a lower or equal level.
8. If a scheduled match is postponed or abandoned for reasons of safety or weather conditions with less than sixty minutes play, the Table Administrator shall, after consulting both teams, nominate a date on which the match shall be

- replayed. If a scheduled match is abandoned for reasons of safety or weather conditions after sixty minutes have been played, the score at the time of abandonment shall stand as the result. If a scheduled match is abandoned for reasons of foul play, regardless of time played, the Table Administrator shall consider a report from the referee before deciding on the appropriate action. If a scheduled match is not played for a reason deemed unjustified by the Table Administrator (e.g. inability to raise a side), the match shall, on the first occasion in each season, be awarded as a win to the non-offending team with no points awarded to the offending team. On the second or subsequent occasion that a Club fails to play a scheduled fixture for an unjustifiable reason, there will be a deduction of one Merit Table point from the Club concerned. Clubs must honour fixtures in order of seniority, i.e. a third team fixture may be sacrificed, if unavoidable, to play a second team fixture but the reverse is not permissible. Please note that the provisions of regulation 9 will have priority where a Club repeatedly fails to honour a scheduled fixture.
9. In the event of a Club being unable to fulfil two Merit Table games for reasons other than weather in Merit Table 1, then that Club shall be excluded from the competition for the remainder of the season. The same shall apply to Merit Tables 2, 3 NE and 3 SW should a club fail to fulfil three fixtures.
10. Clubs are permitted to field any players available to them, including loan players from other Clubs. Indeed, Clubs are encouraged to loan players to their opponents or other Clubs to enable fixtures to proceed and in all such cases the final result shall stand. A player changing Clubs on or after March 1st. may not play in a scheduled match for his new Club for the rest of that season. Three replacements will be allowed in any one game but up to seven will be permitted if both teams agree before kick-off and inform the referee accordingly. The laws relating to front row replacements are as laid down by the Rugby Football Union and must be followed at all times. Where this leads to uncontested scrums, the match result shall not be affected even if this is required for the whole match. The spirit of the competition demands that Clubs should not field players who play regularly at a level higher than the team in question.

WHY REFEREE?

Many players consider the thought of refereeing but often turn their back on the idea due to a lack of confidence and knowledge of the Laws of the Game

The Devon Rugby Referees Society recognises this problem and operates a training course consisting of four informal sessions specially designed for the new referee. Most aspects of refereeing and the laws are discussed before he takes charge of his first game, enabling him to take the field with confidence.

Refereeing can be fun and great enjoyment can be gained from officiating a game of rugby. It offers the older player a chance of actively staying in the game and an opportunity of progression for the individual taking up refereeing at a relatively early age.

If you are interested, phone or speak to any referee, all of whom will be pleased to help you.

DEVON RFU HANDBOOK 2011-12

In an effort to ensure that the handbook is available in good time for the start of the next season, requests for information for the 2011-12 edition will be made via email wherever possible.

Most Clubs appear to have an email contact. However, it is important that the handbook editor is notified of any changes to email addresses. If your Club does not have an email contact, please let me know and alternative arrangements can be made.

As a guide, junior fixtures will be required by the end of April 2012 and senior fixtures by the end of the second week in June 2012. It is most helpful to have the fixture lists as soon as they have been completed so please do not wait until the last minute to send them in. Fixture Templates will be sent to each individual club via email and they should be completed and returned in the same way. Regrettably this is the only way that fixtures can be accepted.

Whilst it is appreciated that many Clubs do not have their AGM's until mid July, details of Club Officials will be required by the end of the second week in July in order that the book can go to print in reasonable time.

If you have any queries, please do not hesitate to contact the Handbook Editor:

Paul Harris,
15, Blagdon Close, Crediton, EX17 1EL.

Email; paul@blagdon15.eclipse.co.uk

RUGBY FIRST

What is RugbyFirst?

RugbyFirst is a game-wide internet-based system to help administer rugby at all levels. It holds all information in one place, giving your organisation the benefit of maintaining their data in a single shared system.

This system will bring together a great number of administrative systems and will also provide every rugby club in England with their own web pages and easy to use tools. There will be a number of benefits to club members:

- Reduction of administrative workload (as all information is held in one place).
- Intuitive navigation throughout the system.
- System security will be based on the role a member has within their club. This will ensure that each individual's permissions in the system are kept strictly in line with the information they require to perform their role.
- Instant access to new data will be available to assist with club development programmes and review meetings with rugby development officers (RDOs).
- Depending on an individual's security level, it is now easy to view shared Information, such as registered players and coaching qualifications.
- The system is flexible and can be used in a manner that suits the club.

When is RugbyFirst being Implemented?

The RugbyFirst system will be fully operational for the RFU and RFUW from Monday October 2nd 2006, replacing Club Pages at www.rfu.com/ clubs. All of the data already recorded in the present system will be transferred to the new system.

What does RugbyFirst Provide Us With?

Clubs and Constituent Bodies will be able to access:

- Player registration tools
- Single membership database, including:
 - Membership management tools
 - Team management tools
 - Communication tools including text alert and email facilities
 - Club Development tools
 - Interactive RFU Questionnaire
 - Disciplinary management tools
 - Administrator and volunteer data
 - CRB disclosures
 - Coach records and data

Already up and running is the registration of adult and youth players, coaches and referees as well as the Criminal Records Bureau checking system.

Criminal Records Bureau Disclosure.

To ensure the continued safety of young people under the age of 18, all staff and volunteers who need access to their data via RugbyFirst must undertake CRB disclosure. Youth Registrars have already been through this process.

Help and Support

This workbook will provide you with sufficient knowledge to enable you to use the new systems.

You have also been provided with a Frequently Asked Questions sheet, which will also be available online at www.RFU.com/clubs from October the 2nd.

If you are faced with any queries on the system that you can't answer, please ask in the first instance the CB Champion for your region (pre November 2006) or the RDO (post November 2006). You can also email the RugbyFirst Support Team at rugbyfirstsupport@therfu.com. For any technical issues (e.g. the site is unavailable), please contact the RFU IT Helpdesk on 020 8831 6767 or itsupport@rfu.com.

Accessing RugbyFirst

RugbyFirst will be accessed in the same way as you accessed Club Pages, using the same user name and password that you have today.

The website is still <http://www.rfu.com/clubs> and links to the system will also be available from within the community rugby website.

CHILD WELFARE

Safeguarding Young People and Vulnerable Adults

In the current climate and given the media coverage on issues to do with looking after children nobody can deny we need to make sure our children are properly cared for and safe when they play rugby.

Safeguarding children is not a 'dilemma,' we need to do it and be seen to do it. I know we all want to feel confident that when our children are at a rugby club they will be treated well – that the coaches or other adults who they may come into regular supervisory contact with are all CRB checked.

Safeguarding children is not complicated; simply we all need to be vigilant. The Club Safeguarding Officer will have some paperwork for volunteers to complete and may require volunteers to attend appropriate courses which the Devon RFU are fully committed to helping clubs with.

DEVON JUNIOR CUPS - (U16 / 15 / 14 / 13) RULES – 2011 / 12

- 1 The competitions will be known as *'as described'*.
- 2 All players must be under the age of 16 / 15 / 14 / 13 on 1st September of the current season.
- 3 All clubs must register their players with the competition organiser **before** they are named and/or participate (player or replacement) in any Cup / Plate game. Players may be added to the register up to **March 1st** in any given season. A player may play or be selected as a replacement for only ONE club in the competition each season.
- 4 All teams must hand their completed registration cards and result sheets, duly signed by a club official, to the referee for inspection before the kick-off. These will be returned after the game and it is the responsibility of the winning team to return **both** result sheets to the competition organiser within 72 hours of the match. The competition organiser will check the names listed on the sheets against his central register. If anyone listed as a player or as a replacement does not have a registration card OR is not listed on the competition organiser's central register, that team will be disqualified from the competition.
- 5 All protests and complaints, including those relating to an opponent's identity or eligibility, must be sent to reach the competition organiser within **seven days** of the game being played. Such protests/complaints will only be accepted in writing from the Chair or Secretary of the aggrieved club. Where appropriate a personal hearing may be requested. There shall be the right of appeal to the Devon RFU senior competitions committee in respect of decisions by the competitions organiser or committee.
- 6 Clubs eligible for participation are those affiliated to the Devon RFU. All clubs must have paid their annual subscriptions to the DRFU by 1st October otherwise they will be withdrawn from the competitions.
- 7 The competitions will be run as a straight Knock-Out Competition. The draw for the Preliminary / 1st rounds will be made at the AGM. The four S/Finalists of the Cup and the 2 Finalists of the Plate from the season shall be exempt from the next season's Preliminary round. The dates for each round of the main competition are as follows for 2011-12:
Prel Round: - on or before 2nd October; 1st Round: - on or before 13th November^a
1/4 Finals: - on or before 12th February; S/Finals: - on or before 1st April
The finals will be arranged during April. The Plate competitions will start in January 2012 – for all Preliminary & 1st round losers. Draw and Dates will be published after the completion of the 1st Round of the main competitions.
- 8 Each game to be as follows: - U16 – 35 min each way ; U15 - 30 mins each way
U14 - U13 - 25 mins each way.
In the event of a draw no extra time will be played - match to be decided: a) Most tries or, if still equal b) – Most goals from tries or, if still equal c) the away side.
In the final, a) and b) shall apply but if still equal the game shall be replayed.
- 9 The **home** club must ensure that the pitch has a barrier (fixed, rope or line) and will be responsible for ensuring that all non-participants remain behind it at all times. Referees will be instructed not to start or continue any game without this being strictly adhered to.
- 10 Referees for all games must be ELRA qualified and shall not have any association to either club. It is the responsibility of the **home** side to provide a suitably **completely qualified** referee who should where possible be a member of the Devon RRS or Plymouth RRS. For all other rounds please refer to the Devon Rugby Referee Society appointments secretary – Dean Davies (07837 220024)
- 11 All teams to play cup matches in shirts with numbers.

- 12 When a 50 point margin has been achieved the game should be halted.
13 Each club to provide a competent touch judge who will not be a replacement.
14 In the event of the game being postponed for whatever reason – it will normally be played on the following weekend unless a different date is arranged by both clubs and agreed by the Cup Organizer.
15 All cup games to be played under the current playing regulations (found in the current RFU law book) applicable to their respective age group. However – if a team is unable to replace an injured front row player for any reason, the game will revert to ‘uncontested scrums’ with the result standing, although should a team is unable to replace a front row player who has been sent-off in order to continue ‘contested scrums’ – they will then forfeit the game.
16 All clubs to pay an entry fee of £5 + VAT per age group

- 2.4 Clubs entering the Fisherman's Cup or Exeter University N Devon U16 League must also pay their affiliation fee to the Devon RFU Mini and Junior Committee by the 31st October of that season. Failure to do so will make that Club liable to be expelled from the competition.
- 2.5 Clubs entering the Fisherman's Cup or the Exeter University N Devon U16 League must have signed a Devon RFU Mini and Junior Code of Conduct form applicable to that season. One form covers both the league and cup competitions.
- 2.6 The Chairman of the Junior and / or Senior Section of each Club is responsible for ensuring the Code of Conduct is adhered to, and each coach is responsible for complying with both the spirit and content of the code.

3. QUALIFICATIONS FOR PLAYERS

- 3.1 To play in the Fisherman's Cup or Exeter University N Devon U16 League, a player must be under SIXTEEN years of age on the 1st September of the year in which that season commences.
- 3.2 The England RFU Youth regulations permit a player to play UP **one** age grade provided they have written permission from their parent or guardian to do so. In addition, the coach must assess that they are physically able to play up one age grade, and have the skills and abilities to play at the higher age grade. Players are NOT able to play down any age grade whatsoever.
- 3.3 Players must be current members of the Club they are playing for.
- 3.4 Players must be registered with the England RFU prior to playing in any

- competition. Each player must have a RFU registration number to be eligible to play in any competition.
- 3.5 Players who transfer clubs within Devon after the 1st December in that season are NOT eligible to play for their new team.
 - 3.6 Players who transfer clubs prior to 31st October in that season must comply with the Devon RFU Mini and Junior Committee policy in relation to transfer to players. The Devon RFU Registration Officer must be notified and give permission for the player to play for their new club.
 - 3.7 Players who are new to the game, and not previously registered with the England RFU can be registered by a Club with the RFU prior to the 1st March in that season. Once registered, they become eligible to play for their Club in any Devon RFU competition.
 - 3.8 Players that transfer from RFC in Cornwall, Somerset or Dorset and Wiltshire, for the purposes of these rules, are treated as if they played for a RFC affiliated to the Devon RFU.
 - 3.9 Players that transfer from elsewhere in the England RFU, or transfer from another RFU, for the purposes of these rules, are to be treated as new players.

4. MATCHES

- 4.1 Matches in any Devon RFU competition are to be played on the dates prescribed by the competition organiser. Clubs must make every endeavour to play ALL games if cancelled for whatever reason as close to the original date as possible.
- 4.2 Matches will be of the following duration:
Under 16's = 35 minutes
- 4.3 No youth player is permitted to play any additional time in a match.
- 4.4 All matches will be played in accordance with the International Rugby Board rules and regulations and England RFU Youth Rugby regulations.
- 4.5 If the points differential reaches sixty, the referee will consult with the coaches about continuing the match. It is recommended the match continues with the team in the lead making substitutions to allow new or less experienced players to play, or the players are swapped between teams to even out the play. In any case, the maximum points differential that will be awarded to any team is sixty.
- 4.6 Rolling substitutions are permitted, that is, a player who comes off the field of play can return when allowed, provided he is not serving a temporary suspension from playing (under a 'Yellow Card') or has been dismissed from the field of play. If a player has been replaced with any kind of injury he is NOT permitted to return under any circumstance unless it is a blood injury.
- 4.7 Team squads for Devon RFU youth competitions can comprise up to twenty-two players.
- 4.8 In all Devon RFU youth competitions, both teams will have the same number of players on the field of play at any one time, unless a player is temporarily suspended ('Yellow Card') or dismissed by the referee ('Red Card').
- 4.9 Where teams do not have fifteen players available, both teams will reduce the players on the field of play at any one time down to a minimum of twelve. This will be down in the following manner:
Fourteen-a-side = no Number 8s or one centre only;
Thirteen-a-side = no flankers (6 and 7);
Twelve-a-side = no flankers and one centre only.
- 4.10 The composition of the teams is to be agreed by both coaches prior to kick off, and the referee advised of the resultant decision.
- 4.11 Each team in a Devon RFU youth competition should endeavor to have suitably trained and experienced front-row players and replacements. In a squad of twenty-two players, at least one player must be able to play at Loose Head and Tight Head Prop, and one player must be able to play at Hooker. If, for reasons

beyond a team's control, there are no front row replacements available during a match, the referee will order non-contested scrums.

- 4.12 If a team does not have a suitably trained and experienced front row for an arranged match, the match will be treated as an unplayed match. The match may continue as a friendly match with uncontested scrums if both coaches agree to this course of action.

5. AWARDING OF POINTS AND WINNERS OF ROUNDS

- 5.1 In the Devon RFU league competitions, points will be awarded on the following basis: Win = 4 points ; Draw = 2 points; Loss = 1 point
Bonus points as follows; 1 point for scoring 4 tries; 1 point for losing by 15 or less points

- 5.2 Winner of the knockout stages of the Fisherman's Cup and Exeter University N Devon U16 League, will be decided in the following manner:

- a) Team which has scored the most points in the match;
- b) Team which has scored the most tries in the match;
- c) Team which has scored the most converted tries in the match;
- d) The Away team.

- 5.3 The fourth option at 5.2 above will not apply in the Finals of the Fisherman's Cup or Exeter University N Devon U16 League competitions. Under these circumstances, the league or cup organiser will assess whether it is possible to replay the match prior to the end of the season without overplaying the players, if not, the match will be declared a draw and the trophy shared. In the event of no replay possible – then the highest placed team in their respective League will progress through to contest the Devon Shield.

6. REFEREES

- 6.1 Matches played in the Fisherman's Cup and Exeter Uni N Devon U16 League will be officiated by suitably qualified referees appointed by the Devon Rugby Referees Society or Plymouth Rugby Referees Society.

- 6.2 If the Devon Rugby Referees Society or Plymouth Rugby Referees Society notifies a home club that no society referee is available, the club can make application to the competition organiser for a referee to be appointed the following order:

- a) Member of the Devon or Plymouth Rugby Referees Society;
- b) ELRA qualified club referee from another RFC;
- c) ELRA qualified club referee from that club, but independent of the age group involved in that match.

- 6.3 The referee will inspect the registration cards to ensure that everything is correct.

- 6.4 The organiser will assess the competency of that person to referee that match, and the visiting side will be consulted. The organiser will also confirm with the Devon Rugby Referees Society or Plymouth Rugby Referees Society that no society referees is available. The organiser can then appoint a non-society referee to a specific match.

- 6.5 Each team should provide one competent person to act as touch judge acting under the jurisdiction of the referee. Unless they are appointed as Assistant Referees, touch judges cannot signal offences or foul play, but may be consulted by the referee in appropriate circumstances.

7. HEALTH AND SAFETY

- 7.1 All players must wear a shirt with numbers affixed in line with the IRB regulations, and there should be only one player with any one number on the field of play at any one time.

- 7.2 Home clubs must ensure the pitch on which a match under these rules is played has some form of barrier, at least two metres from the touch line around the

whole pitch, behind which all non-participating people must remain behind throughout the duration of the match. Each club should endeavour to have 'TECHNICAL AREAS' clearly marked where the replacements + up to 4 coaches will be allowed to stand – they will NOT be allowed to roam up and down the touchline – if there are no such areas clearly marked ALL personnel will be behind the barriers - this includes replacements and assistant coaches.

- 7.3 Each team should have one dedicated first aider, who may also be a coach. The dedicated first-aider must make themselves known to the referee prior to the kick off, and is the only person permitted to enter the field of play during the match, until or unless the referee stops play and permits other first-aiders, or appropriate persons onto the pitch.

8. ADMINISTRATION OF COMPETITIONS

- 8.1 It is the responsibility of the Coach for each team entered into a Devon RFU youth competition to comply with the administrative arrangements stipulated by the competition organiser.
- 8.2 Teams that play in the Fisherman's Cup and Exeter Uni N Devon U16 League will complete a team sheet prior to the match kick off. This will contain the names, dates of birth and RFU registration numbers of the players in the squad for that match. The first names and surnames used must be those under which the player is registered with the RFU.
- 8.3 The coach or team manager for each team will meet at least thirty minutes prior to kick off of a match, and ensure that all players are eligible to play in that match. Each coach or team manager must ensure they have RFU registration cards, containing a **RECENT** picture for each player shown on the team sheet. These registration cards must be made available to the opposition to verify the eligibility of players.
- 8.4 Once the two coaches or team managers are both satisfied as to the eligibility of all the players, the team sheets will be handed to the referee. The referee may delegate a responsible person, such as the team manager or coach of the home team, to look after the team sheets for the duration of the match.
- 8.5 At the conclusion of the match, or as soon as possible afterwards, the referee will enter the final score and sign both team sheets. Both team sheets will be handed to the coach of the winning team, who is responsible for sending them by post to arrive with the competition organiser within seventy-two hours of the match being played. In addition, the coach of the winning team is responsible for sending an email / telephone call to the competition organiser on the day of the match giving the final score.
- 8.6 Failure to comply with the above procedure may result in the match being deemed to be unplayed.

9. UNPLAYED MATCHES

- 9.1 Coaches must endeavour to play the fixtures on the dates shown in the Devon RFU Official Handbook.
- 9.2 If a match has to be cancelled due to weather and pitch conditions, the visiting team will be notified as soon as that decision is made. The competition organiser will be notified by phone or email by the home team within twenty-four hours of the decision to cancel the match.
- 9.3 The administrator will inform both clubs on the date for which the game will be rescheduled – which will be the first available weekend when neither side has a merit table or cup match.
- 9.4 The Devon RFU youth competitions matches take precedence over friendly matches.
- 9.5 The only other justification for the postponement of a match is through

exceptional circumstances. Examples can include a major incident preventing a team from playing, or a serious road traffic collision involving team members en-route to a match. In these circumstances, the competition organiser will be notified by phone or email within 24 hours of the decision to cancel the match.

- 9.6 Matches will not be postponed due to county commitments, unavailability of a front row, or other issues to do with squad availability. In such circumstances, coaches must plan ahead and consult with their fixtures secretary. If a match can be rearranged at least one month in advance of the date of the match, by mutual consent, and with the approval of the competition organiser, then this will be permitted. In all other cases, this will be deemed an unplayed match.
- 9.7 If a team fails to fulfill an obligation to play a match, the competition organiser must be notified by phone or email within forty-eight hours of the event. Unless there are exceptional circumstances (see 9.5 above), the team that is deemed to be responsible for the match being unplayed will lose the game 7 – 0 and will be DEDUCTED TWO points. The non-responsible side will receive 3 / 4 points

10. OTHER ISSUES

- 10.1 Any team which is proved to have fielded an ineligible player, whether by reason of being over or under the correct age, or because they are not registered, will be deducted two league points for each player involved.
- 10.2 Coaches are responsible for their own behaviour, and that of the parents, guardians and supporters of their team. The standard of behaviour expected is that laid out in the RFU Codes of Conduct. Where the conduct of an individual or group of people falls below that standard, that individual or group may be liable for sanctions to be imposed by the Devon RFU.
- 10.3 If, during a match an incident occurs which may be in breach of the RFU rules and regulations, or may be in breach of the RFU Codes of Conduct, the incident should be reported to the Secretary of the Devon RFU Disciplinary Sub-Committee.
- 10.4 If, prior to or after a match an incident occurs which may be in breach of the RFU rules and regulations, or may be in breach of the RFU Codes of Conduct, the incident should be reported to the Secretary of the Devon RFU Mini and Junior Sub-Committee.

11. APPEALS

- 11.1 A team may appeal regarding the decision of the league administrator in relation to the administration of that league.
- 11.2 An appeal must be made in writing, by the Chairman or Secretary of the RFC (or of the Junior Section if properly constituted), to the Secretary of the Devon RFU Competitions Sub-Committee.
- 11.3 Appeals will not be accepted by the Devon RFU Competitions Sub-Committee from coaches, parents or guardians of players.
- 11.4 An appeal must be made within seventy-two hours of the event about which the appeal is being made.
- 11.5 The Secretary of the Devon RFU Competitions Sub-Committee will arrange for the appeal to be heard in accordance with the procedures of the sub-committee. Members of the Devon RFU who have a conflict of interest for any reason will declare such and not be involved in the appeal hearing.
- 11.6 The parties will be informed in writing by the Secretary of the Devon RFU Competitions Sub-Committee once the hearing has been completed.

12. INTERPRETATION OF RULES

- 12.1 Where not covered separately the rules of the Devon Senior Cup will apply.

13. ALTERATIONS TO THE RULES

- 13.1 The Devon RFU Sub-Committee will review these rules annually.

Devon RFSU Secretary's Report Season 2010-11

All of our county fixtures were in festival format, with the 'B' team playing at the same time. This season Devon had two very strong squads. However, it would have to be a very exceptional year to better what the boys and coaches achieved last year, but we had a good try. We again had the services of the senior coach Roger Hutchinson with Tim Swainson, Colin Brown and Adam Pearce. They did a wonderful job with the players and produced outstanding results.

The 'B' team were again undefeated and have remained so for the past seven years. Devon won the three county games against Cornwall, Bristol and Somerset and were unable to play Gloucestershire because of the weather. This resulted in eleven boys being invited to the SW Divisional Development. From development seven boys were invited to play for the SW Division in the Divisional trials. Those boys were Xander Connabear, Tom Mumford, Richard Bayliss, Dan Pullinger, George De Mendonca, Laurence May, Tom Woolstencroft. After the Divisional trials five of our players were invited to England training camps. Xander and Tom Mumford have been invited to play for England 'A' (Reds) and Richard, Dan and Tom Woolstencroft for England 'B' (Blues) and will play at the International festival at Wellington College over the Easter holidays. All have been a credit to Devon RFSU.

It has been a pleasure to be associated with the Devon teams this year. Many thanks go to the coaches, physios, Paul Dowrick and Anne Rice, Graham Emond, kit man and to Jeff Hughes, treasurer, selector and right hand man.

This will be my last season as DRFSU Representative on the Devon RFU Committee. I have really enjoyed my time on the Committee and being part of the CBRDP. I wish Devon RFU all the best for future success.

Pete Ramsey

Devon U15 Programme

**DEVON SCHOOLS RUGBY KNOCKOUT CUP
UNDER 13', U14, U15 AND U16**

Just a few points to clarify the running of these cup competitions. Home teams should offer three dates to their opponents for the tie- co-operation and common sense usually prevail. The home side must organise a 'neutral' referee - someone who has no interest in the result - at best a member of the D.R.R.S. In the event of a draw, no extra time need be played and the following criteria will apply to decide who goes through;

- 1) The team with the greatest number of tries,
- 2) The team with the greatest number of goals (converted tries)
- 3) The team playing away from home

A drawn Final is a shared Title The Under 13 and 14 Cup Competitions will play 25 minutes each way with a size 4 ball being used. The County Final should if possible be played at a Club ground local to the home team. The Under 15 Final will play 30 minutes each way and a size 5 ball will be used.

As in other years, the competitions will be organised in areas by the area secretaries. The county semi-finals and final will be organised centrally by the Competition Finals Organiser.- Rob Masters Ivybridge CC. As with the other competitions you must keep him informed of your teams progress through the various rounds particularly if you are the winner

Cut off dates; Each of the four areas will run their own competitions to produce their Area representative to go forward to the County Semi-Final stage.

Remember these are your cup competitions, so do all that you can to ensure that they run smoothly. Any problems, please refer to me and I will help in any way that I can, but my decision will be final and may cause upset.
