2015 OVER 40's LEAGUE FIXTURES

THE withdrawal of Alsager Dabbers leaves the section with an odd number of 31 clubs in 2015, resulting in a minor re-alignment of the four regional groups. The special meeting of club representatives in October 2014 agreed that the West division should lose Warrington to the Central group, leaving the West Division with an odd number of seven clubs playing 12 games only, each having two open dates during the season.

With clubs also calling for a 'freshening up' of their fixture list, apart from taking in Warrington, the Central group gains Ashton on Mersey and Timperley from the North East zone and transfer Bowdon and Bowdon Vale Vikings to the North-East. The South East lose Bramhall to the North East with Alderley Edge Wizards moving in the other direction.

The 2015 groupings will therefore be as follows:

CENTRAL 8 clubs 14 fixtures	NORTH-EAST 8 clubs 14 fixtures	SOUTH-EAST 8 clubs 14 fixtures	WEST 7 clubs 12 Fixtures
Ashley	Bowdon	Alderley Edge Wizards	Caldy
Ashton on Mersey	Bowdon Vale Vikings	Bollington Vets	Chester Boughton Hall
Davenham	Bramhall	Bredbury Saints	Irby
Grappenhall	Brooklands	Macclesfield	Neston
Mobberley	Cheadle	Marple	Tattenhall Wreckers
Timperley	Cheadle Hulme	Poynton Legends	Oxton
Toft	Sale Silverbacks	Offerton	Upton
Warrington	Urmston Tigers	Woodley	

All matches are due to start at 6.15 p.m. unless stated otherwise.

The quarter-final inter-group play-offs will continue between the top two teams in each of the regions with the Divisional Champion teams having home advantage. These games to be played on the Wednesday after the group fixtures end, or by Sunday, August 16 at the latest.

A new draw will be made before Finals Day between the four quarter-final winners at Timperley on Sunday, August 23

A new sponsor for the Over 40s competition is being sought. Inquiries to Secretary Geoff Wellsted or Competition secretary Mike Talbot-Butler, who will continue to administer Over 40s cricket.

Quarter-finals draw

WEDNESDAY, AUGUST 12 or by SUNDAY, AUGUST 16

If play is not possible, by Sunday August 16, clubs must either hold a bowl out, or toss a coin to determine who proceeds to Finals Day.

Play-offs at Timperley

A new draw of the quarter- final winners will be made prior to the Finals Day. This event will be held at Timperley CC on Sunday, August 23 2015 starting at 12 noon.

1st XI JOSEPH HOLT BREWERY T20 CUP

THE Joseph Holt Brewery T20 for the Fred Graham Memorial Trophy in 2015 will involve 34 clubs, with promoted duo Bollington and Mobberley entering for the first time, while Cheadle Hulme and Widnes are ruled out through conceding games in 2014.

The entrants are split into seven groups of four, playing three games each and two groups of three, playing two games, the top nine top clubs in last season's ECB Premier League final table being seeded in each group, which have been arranged geographically to reduce midweek travel.

Group stage fixtures may be re-arranged by the limit date of Friday, May 9 to a date mutually agreed by both clubs. All re-arranged group games must be played in the same week (Sunday to Saturday) and the revised details notified to the Competition Secretary.

Reserve dates have been set aside for clubs in the smaller groups to reduce the danger of cancellation due to rain.

There will be a play-off between the winners of groups 8 and 9 for a place in the quarter-finals. The quarter-finals have been allotted four separate dates as a further safeguard against bad weather and to give clubs more choice. These dates must be mutually agreed and confirmed with the Competition Secretary. If the date cannot be mutually agreed, the Competition Secretary to adjudicate. A separate draw will be made prior to Finals Day.

Match results should be telephoned immediately after close of play and sheets submitted in the normal way to the Competition Secretary. Scores must be posted on the web site by 10 p.m. on the day of the match.

The League Appointments secretary Jon Hacking (tel. 01244 814 110, e-mail jhacking@gmail.com) will be responsible for all umpiring appointments and notifications.

EXCERPTS FROM RULES (No Changes In 2015)

(The Regulations section of the Handbook carries the full regulations)

- All matches are of 20 overs per innings to start by 6 p.m. If a match starts after 6.15 p.m. umpires are instructed to deduct overs immediately.
- In the power play covering the first six overs, only two fielders may be outside the 30 yards fielding circle at the time of the bowler's delivery. For the rest of the innings, a minimum of four fielders plus the bowler and wicket-keeper must be within the 30 yards circle at the time of the bowler's delivery.
- In the event of a tie in the quarter-finals, semi-finals and final games (i.e. the scores finishing level, regardless of wickets lost) a Golden Over shall be bowled. Each team shall select three batsmen and one bowler; each team bats for one six-ball over with the team batting second in the original game batting first. The loss of two wickets shall end the innings. If the scores finish level after the Golden Over, the team with the most six hits in their two combined innings shall be the winners. If still level, the winners will be the team with the highest score after 19 overs, then 18 overs and so on until a winner is decided.
- In group games, winning teams score two points, with cancelled or abandoned games counting one point. Where more than one team finishes level on points, the average run rate (teams' total runs divided by total overs batted; a team bowled out is deemed to have received all their overs) shall decide the winners. If run rates are still equal, progression will be decided by the toss of a coin.

2nd XI JOSEPH HOLT BREWERY T20 CUP

A total of 33 clubs will compete in the 2nd XI Joseph Holt Brewery T20 Cup in 2015.

Brooklands and Weaverham are ineligible due to forfeiture in 2014 while Christleton have opted not to take part.

Games up to and including the quarter finals may be played in midweek or on Sundays by mutual agreement.

There is one preliminary game scheduled (Bollington v.Sale) and this is to be played by Monday 11th May 2015.

The clubs named first in each round are at home in all matches up to and including the quarter finals and matches should be played by the time limits set. Once matches are arranged, details should be notified, by the home club, by email, to 2nd XI Results Secretary Brian Boys and to the League's Websiter Administrator Darren Sutcliffe. If a match, once arranged, does not take place on a scheduled date due to poor weather or for any other reason then notification to both is required along with the reason.

Once matches are completed result sheets for all games should be sent to the Results Secretary to arrive no later than seven days after matches are completed. Summary and Full results have also to be recorded on the Play Cricket website in line with normal timescales. The semi-finals and final will be played on a date and ground yet to be determined and will be subject to a draw to determine the semi-final make-up.

Matches from the Quarter-Finals onwards will have Panel Umpires appointed. When dates for Quarter-Final matches are agreed the League Umpires Appointments Secretary John Hacking must also be informed.

3rd XI JOSEPH HOLT BREWERY T20 CUP

There are two new entrants Knutsford and a second Urmston team, whilst after forfeiture in 2014 Timperley, Irby and Nantwich are not eligible and Widnes have withdrawn their team for 2015. There are 36 teams contesting the competition for the Jack Gardner Trophy.

These teams are divided into three geographic regions; East with five mini groups, Central with two mini groups and West with two mini groups. All mini groups comprise four teams, each playing the other three teams in the group. Winning teams will be awarded two points with tied, cancelled or abandoned matches earning each side one point. Where more than one team are level on points at the end of the mini group stage then average run rate (teams total runs divided by total overs received - a team that is bowled out is deemed to have received all its allotted overs) in all group matches will be used to establish group winners. If run rates are also equal then progression will be decided on the toss of a coin.

Mini group matches have all been given default dates. Matches may be moved or re-arranged for any reason including weather problems from the scheduled date but only by mutual agreement. In any event all matches must be completed by Tuesday 19th May - matches not completed by this date will be treated as having been cancelled on the scheduled date.

Colleagues

As I stated in my introduction this was my maiden appearance as editor of any publication. While it was a daunting prospect when I started the vital factor is that I knew it was not something that I had to do entirely on my own.

I knew I had support from numerous colleagues. They have provided core information directly or indirectly as well as lots of encouragement. I would like to thank some people specifically for their support in the winter both in direct support of me but also of the parallel project to create a more dynamic web presence.

With apologies to anybody I might inadvertently have overlooked, I would like to specifically acknowledge the contributions made by Mike and Wyn Talbot -Butler, David Humpage, Duncan Anderson, Geoff Welsteed, David Vallance, Richard Fennah, Darren Sutcliffe, Ian Sharrock, Peter Lawson, Rick Davis, Glyn Roberts and John Lofthouse as well as the contacts within individual clubs.
