CEFN DRUIDS PEN-PICS 2010/11

Chris Mullock. DoB: 16/09/88. Goalkeeper. Young goalkeeper who has progressed from the under-18s to become a first team regular. Has constantly improved with experience to become an integral member of the Druids squad, resisting interest from elsewhere to stay committed to the club.

Dan Gibbon. DoB: 20/04/94. Defender. Graduate from the Druids Academy. Keen to impress as he steps up to the first team squad. Highly rated by the management as one to watch for the future.

Adam Hesp. DoB: 30/08/91. Defender. Young defender who made his first team debut towards the end of the 2008/09 campaign after progressing from Druids' youth system. Revelled in having a more regular role last season, when he was rewarded by representing Wales in the Centenary Shield, and will be looking to build on that to impress the new management team.

Robbie James. DoB: 20/12/88. Defender. Versatile player who can play in the centre of defence, full back or central midfield. Recruited by Druids in September 2010 from Newtown, where he had been since 2007 after joining there from Llanfyllin Town.

Max Peate. DoB: 23/03/89. Defender. Commanding centre half who joined the club during summer 2010. Former youth player at Wrexham who has also been at Gresford and Welshpool. Dangerous at set pieces.

Arran Pritchard. DoB: 07/02/91. Defender. Young defender signed from Technogroup Welshpool during the closed season. A regular for Huw Griffiths at Maesydre last season and will be hoping to do that for Druids in this campaign. A former North Wales Coast FA Under-18 captain.

Mark Harris. DoB: 05/12/86. Wing Back. Can play on either side of the pitch. Good engine on him as he can get up and down the pitch with ease. Signed during the closed season from Bala Town after previous Welsh Premier experience with Caernarfon Town as well as playing in Merseyside.

Warren Duckett. DoB: 31/05/84. Midfielder. Experienced midfielder signed 2010 from Bala Town. Good going forward with keen eye for goal, having scored goals aplenty for the Lakesiders and Lex XI.

George Hughes. DoB: 03/10/86. Midfielder. Former Shrewsbury Town youth player. Played for Guilsfield and was club captain at Welshpool. A Consistent workmanlike performer. Appointed club captain after signing for Druids during summer 2010.

Mathew Hurdman. DoB: 23/01/91. Midfielder. Young midfielder who has been capped by Wales at under-17 level. Signed in September 2010 from Bangor City, where he had spent a season following his release from Wrexham and was a member of The Citizens' Europa League squad at the start of the campaign.

WELSH CUP WINNERS 1880, 1881, 1882, 1885, 1886, 1898, 1899, 1904

Tom Obasi. DoB: 24/09/88. Midfielder. Exciting winger who signed in October 2010 from Leigh Genesis after having been with Druids for a spell during pre-season. Capped by England at Futsal, Tom has pace which he uses to get past his man. One to watch.

Gareth Williams. DoB: 30/03/82. Midfielder. Experienced midfielder with first team experience at Wrexham and Bangor, where he also appeared in European competition. Another player who followed Huw and Terry from Technogroup Welshpool during the summer.

Ashley Wilson. DoB: 12/02/81. Midfielder. Strong, combative player who joined Druids during the closed season. Likes to get stuck in and score goals. Experienced at this level after spells with Bala and Llangollen.

Joe Price. DoB: 25/09/90. Forward. Young winger who rejoined the club during the summer following a season at Technogroup Welshpool. His lightning pace and set pieces are a constant threat to the opposition. A double leg fracture, though, will see him out of action until 2011.

Aaron Edwards: DoB: 18/05/90. Striker. Joined the club from local rivals Rhos Aelwyd in October 2010. Holds the ball up well and gets his share of goals. Looking to make his mark at The Rock.

Marc Griffiths. DoB: 16/05/84. Striker. Hard working forward. Has a good engine to him and weighs in with vital goals. In his second spell with the club after being with Bala and Welshpool, returning to Druids in summer 2010.

Chris Melia. DoB: 20/02/81. Striker. Played for Connah's Quay and Caersws, where he was leading scorer last season. Looking to replicate that prowess with Druids this season after joining from Winsford United.

Andrew Swarbrick: DoB: 29/10/88. Striker. Pacy forward who signed for Druids in September 2010 from Chirk AAA, where he had been prolific in recent seasons. Keen to replicate that form in the Huws Gray Alliance.

Richard Williams-Cooke. DoB: 25/01/80. Striker. Experienced player who has played for Newtown in the Welsh Premier League and Denbigh Town in the Huws Gray Alliance. Can play as striker or in midfield. Great character to have at the club with his infectious spirit. Chairman of fines committee!
