As mentioned in the briefing on Sunday, players not selected will receive feedback within the next week. However, please also note, injuries and illness do happen and, therefore, there is always the possibility that a player may be called up to the squad within the next few weeks

Selected players ... read below for further instructions

Selected Players should meet at 9am on Sunday 4th February at ...

Newcastle Falcons RUFC
Kingston Park Stadium,
Brunton Road,
Kenton Bank Foot,
Newcastle upon Tyne.
NE13 8AF

Players should bring their own food and drink to see them through the session, which will continue until approximately 1.30 and will include a conditioned game with Newcastle Falcons Academy U17s. Newcastle Falcons have kindly agreed to provide food for players after the session and there will be food and drink available for parents throughout the morning.

Players should bring their own kit and footwear suitable for a 4G surface.

All players who have not already done so must also join the closed, private Facebook group at ...

North 18 Group 2018

... where important playing information and video clips will be available to study.
(Parents please note this group is open to players only)

Given the short time we have together, and the importance of knowing *how* we are planning to play, it is imperative that players study the videos, read the documents, and complete the forms, so that arrive suitably prepared for Sunday's session and ready to discuss the material.

As this weekend is a County/Division weekend within the RFU Age Grade Structured Season, this event takes priority over any other form of rugby activity from Sunday 28th January until Sunday 4th February and therefore players should specifically not be playing for a school, college or club on Saturday 3rd February. Players who are feeling pressurised to play should contact Stuart Kohler as soon as possible, who will look to mediate on your behalf.
