3rd and 4th X1 Cricket – 2019 Season

To all clubs,

I will shortly be drawing up the divisional make ups for the 2019 Season.

With regards to the 3rd and 4th X1 divisions, I shall assume that all teams at present playing in the TSC and TSC/FBSCL will be entering 3rd and 4th X1's for 2019.

However if your club will not be entering please email me by the 1st September 2018

A number of clubs have already indicated to me their wishes to enter additional 3rd/4th X1s next season. If you have not already indicated your wish to enter additional 3rd / 4th X1s then please let me know and your application will be considered.

In addition to the above please could you also let me know the following:

If the structure of the 3rd and 4th XI Leagues were to change, in line with the Captains meeting conclusion and the survey results, would your club prefer to play in a Northern Regional League or a Southern Regional League (Not relevant for Premier and 1st Division 3rd XI).

Thank you for your time.
