Rules KnockOut Competition

Rule 11 c) added:

In the 1st XI group stage if the top two placed teams are tied on the same points, the result of the group stage match between the two teams will be used to decide placings. If 3 or more teams finish on the same points, or 2 teams cannot be separated then Net Run Rate will be used to decide the final placings based on all group games. If this still fails to determine first and second place then a draw will be held by the League Executive committee to determine the placings.

Rule 20 amended to:

NO BALL: In the event of a no ball a free hit shall be awarded for the next delivery. If a no ball is bowled or wide called during the delivery of the free hit, one run shall be added to the total for the no ball or wide and another free hit shall be bowled next delivery. A batsman may only be out off a free hit in the same ways as off a no ball even if the free hit is called a wide. Field changes are not permitted for free hit deliveries unless there is a change of striker or the No Bass was the result of a field restriction breach in which case the field may be changed to the extent of correcting the breach.
